The Commission	The State Property and Buildings Commission (the “Commission”) is an independent agency of the Commonwealth of Kentucky (the “Commonwealth”). See “THE STATE PROPERTY AND BUILDINGS COMMISSION”.
The Offering	The Commission is offering its Revenue Refunding Bonds, Project No. 122, Series C (Forward Delivery) (the “Bonds” and the “Series C Bonds”).
Authority	The Bonds are being issued pursuant to the provisions of the Constitution and laws of the Commonwealth, including particularly Chapters 56 and 58 of the Kentucky Revised Statutes, the Bond Resolution adopted by the Commission on September 10, 2019 (the “Resolution”), (i) authorizing the issuance of the Bonds, (ii) approving the Lease Agreement, dated as of October 1, 2019, by and between the Commission and the Cabinet (the “Lease”) and (iii) authorizing the Sublease Agreements, dated as of October 1, 2019, by and between the Cabinet and certain state agencies (which, together with other subleases with State Agencies that are currently in force and effect, are hereinafter referred to as the “Subleases”). The Resolution also authorized issuance of the Commission’s \$151,095,000 Revenue Bonds, Project No.122, Series A (the “Series A Bonds”), \$2,435,000 Revenue Refunding Bonds, Project No. 122, Series B (the “Series B Bonds”), and \$98,560,000 Revenue Refunding Bonds, Project No. 122 Federally Taxable Series D (the “Series D Bonds”), which were delivered on October 30, 2019 (the Series A Bonds, the Series B Bonds, the Series D Bonds and the Bonds, collectively, the “Project No. 122 Bonds”).
Use of Proceeds	The Bonds are being issued to (i) refund on a forward basis certain outstanding Commission Revenue and Revenue Refunding Bonds, Project No. 98, as more completely identified in EXHIBIT D - SUMMARY OF PRIOR BONDS and (ii) pay costs of issuing the Bonds.
Security	The Bonds and the interest thereon are payable solely from the Revenues to be derived from the rental payments payable under the Lease and Subleases. See “SECURITY FOR THE BONDS” and “SUMMARIES OF THE PRINCIPAL DOCUMENTS - The Lease and the Subleases”. The Bonds are not secured by a lien on any of the properties constituting the Project or any amounts derived therefrom. THE BONDS ARE SPECIAL AND LIMITED OBLIGATIONS OF THE COMMISSION. THE BONDS DO NOT CONSTITUTE A DEBT, LIABILITY, OR OBLIGATION OF THE COMMONWEALTH, OR A PLEDGE OF THE FULL FAITH AND CREDIT OR TAXING POWER OF THE COMMONWEALTH, BUT ARE PAYABLE SOLELY FROM AMOUNTS DEPOSITED IN CERTAIN FUNDS AND ACCOUNTS CREATED BY THE RESPECTIVE RESOLUTIONS AND FROM RENTAL INCOME DERIVED FROM THE BIENNIAL RENEWABLE LEASE WITH THE CABINET AND BIENNIAL RENEWABLE SUBLEASES BETWEEN THE CABINET AND CERTAIN STATE AGENCIES, IN EACH CASE, THE RENT FROM WHICH IS SUBJECT TO APPROPRIATION BY THE GENERAL ASSEMBLY OF THE COMMONWEALTH ON A BIENNIAL BASIS. THE BONDHOLDERS HAVE NO SECURITY INTEREST IN ANY PROPERTIES CONSTITUTING THE PROJECT OR ANY AMOUNTS DERIVED THEREFROM.

Features of Bonds

The Bonds will be issued in denominations of \$5,000 or any integral multiple thereof, at the interest rates, yields and purchase prices set forth on the cover hereof. The Bonds, when issued, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, New York, which will act as securities depository for the Bonds. Purchasers will not receive certificates representing their ownership interest in the Bonds purchased. So long as DTC or its nominee is the registered owner of the Bonds, payments of the principal of, premium, if any, and interest due on the Bonds will be made directly to DTC.

The Bonds will bear interest payable on each November 1 and May 1, commencing on November 1, 2020. Principal of, premium, if any, and interest on the Bonds will be paid directly to DTC by U.S. Bank National Association, Louisville, Kentucky, as Trustee and Paying Agent (the “Trustee”).

The Bonds are not subject to optional redemption. See “THE BONDS - Redemption.”

It is expected that delivery of the Bonds will be made on or about May 4, 2020, in New York, New York, through the facilities of DTC, against payment therefor.

Tax Status

Subject to compliance by the Commission, the Cabinet and others with certain covenants, in the opinion of Kutak Rock LLP, Bond Counsel, under present law, interest on the Bonds (including original issue discount treated as interest) is excludable from gross income of the owners thereof for federal income tax purposes, and is not included as an item of tax preference in computing the federal alternative minimum tax.

It is also the opinion of Bond Counsel, under the laws of the Commonwealth of Kentucky, as presently enacted and construed, that interest on the Bonds is exempt from Kentucky income tax and the Bonds are exempt from ad valorem taxation by the Commonwealth of Kentucky and political subdivisions thereof. See “TAX TREATMENT” herein and EXHIBIT F for a more complete description of the opinion of Bond Counsel and additional federal tax law consequences.

Continuing Disclosure

Rule 15c2-12 under the Securities Exchange Act of 1934, as amended (the “Rule”) prohibits an underwriter from purchasing or selling municipal securities in an initial offering unless it has determined that the issuer of such securities has committed to provide annually, certain information, including audited financial information, and notice of various events described in the Rule, if material. In order to enable the purchaser to comply with the provisions of the Rule, the Commission will enter into a Continuing Disclosure Agreement (the “Disclosure Agreement”) with the Trustee, substantially in the form of EXHIBIT G attached hereto. See “CONTINUING DISCLOSURE” and EXHIBIT G - FORM OF CONTINUING DISCLOSURE AGREEMENT herein.

OFFICIAL STATEMENT

Relating to

COMMONWEALTH OF KENTUCKY State Property and Buildings Commission \$66,710,000 Revenue Refunding Bonds, Project No. 122 Series C (Forward Delivery)

INTRODUCTION

This Official Statement, including the cover page and the exhibits attached hereto, provides information in connection with the issuance and sale by the State Property and Buildings Commission (the “Commission”), an independent agency of the Commonwealth of Kentucky (the “Commonwealth”), of its Revenue Refunding Bonds, Project No. 122, Series C (Forward Delivery) (the “Bonds” and the “Series C Bonds”), issued at the request of the Finance and Administration Cabinet of the Commonwealth (the “Cabinet”).

The Bonds are being issued, to (i) refund on a forward basis certain outstanding Commission Revenue and Revenue Refunding Bonds, Project No. 98, as more completely identified in EXHIBIT D - SUMMARY OF PRIOR BONDS (the Revenue Bonds identified in EXHIBIT D, collectively, the “Prior Bonds”), and (ii) pay costs of issuing the Bonds

The Bonds have been authorized and issued pursuant to the Constitution and laws of the Commonwealth, including particularly Chapters 56 and 58 of the Kentucky Revised Statutes (“KRS”). The Commission adopted the Bond Resolution (the “Resolution”) on September 10, 2019, (i) authorizing the issuance of the Bonds, (ii) approving the Lease Agreement dated as of October 1, 2019, by and between the Commission and the Cabinet (the “Lease”) and (iii) authorizing the Sublease Agreements, dated as of October 1, 2019, by and between the Cabinet and certain state agencies (which, together with other subleases with State Agencies that are currently in force and effect, are hereinafter referred to as the “Subleases”). The Resolution also authorized issuance of the Commission’s \$151,095,000 Revenue Bonds, Project No. 122, Series A (the “Series A Bonds”), \$2,435,000 Revenue Refunding Bonds, Project No. 122, Series B (the “Series B Bonds”), and \$98,560,000 Revenue Refunding Bonds, Project No. 122 Federally Taxable Series D (the “Series D Bonds”), which were delivered on October 30, 2019 (the Series A Bonds, the Series B Bonds, the Series D Bonds and the Bonds, collectively, the “Project No. 122 Bonds”).

The Cabinet, as lessee, has entered into the Lease with the Commission. Payments made pursuant to the Lease will provide the Commission with amounts to pay the principal of, premium, if any, and interest on the Project No. 122 Bonds (including the Bonds) as they become due. The current term of the Lease ends June 30, 2020, and the Lease renews automatically (unless terminated in writing by the last business day of the preceding May, by the Cabinet) for successive biennial periods to and including the biennial period which includes the final maturity of the Bonds. The Lease requires the Cabinet, for each biennial period during which Bonds are outstanding, to seek legislative appropriations to the Cabinet or the Sublessees (as defined below) in amounts which are sufficient to permit the Cabinet to make rental payments to the Commission in amounts sufficient to pay principal of, premium, if any, and interest on the Project No. 122 Bonds.

Portions of the Project will be used by various state agencies described under “THE STATE AGENCIES” (the “Sublessees”). In order to comply with the Commonwealth’s budget process, the Cabinet has subleased portions of the Project under Subleases previously entered into with certain Sublessees (the “Existing Subleases”) and the Cabinet will sublease other portions of the Project to Sublessees under additional Subleases to be dated as of October 1, 2019 (the “New Subleases” and together with existing subleases, the “Subleases”). The term of the existing Subleases and the New Subleases will end on June 30, 2020. The existing Subleases and the New Subleases renew automatically (unless terminated in writing by the last business day in the preceding April by the applicable Sublessee) for successive biennial periods to and including the biennial period which includes the final maturity of the Bonds. Each Sublease requires the applicable Sublessee, for each biennial period of its Sublease, to seek to have legislative appropriations made to the Sublessee in amounts sufficient to permit the Sublessee to make rental payments to the Cabinet coming due during that biennial period. However, under the Commonwealth’s current budget process, appropriations to make payments under the Subleases which are included in the current budget will be made directly to the Cabinet in future biennial periods. If this process is continued, amounts

sufficient to pay principal of, premium, if any, and interest on the Bonds will be appropriated to the Cabinet and the New Subleases will terminate.

The Kentucky General Assembly recently enacted the 2020 budget bill (the “2020 Budget Bill”), which was a one-year budget bill, rather than the usual two-year budget legislation. Under the 2020 Budget Bill, the General Assembly appropriated to the Cabinet and the Sublessees amounts sufficient to meet the rental payments due under the Lease and the Subleases, and therefore to permit the Commission to meet the debt service requirements of the Project No. 122 Bonds (including the Bonds), through June 30, 2021. It is anticipated that the General Assembly will convene in the first quarter of 2021 to consider another budget bill providing appropriations for the Commonwealth for the period July 1, 2021 through June 30, 2022.

THE GENERAL ASSEMBLY OF THE COMMONWEALTH IS UNDER NO OBLIGATION TO MAKE APPROPRIATIONS FOR RENTAL PAYMENTS TO THE CABINET OR THE SUBLESSEES NOR IS THE CABINET UNDER ANY OBLIGATION TO RENEW THE PROJECT NOR IS ANY SUBLESSEE UNDER ANY OBLIGATION TO RENEW ITS SUBLEASE. THE BONDS ARE PAYABLE SOLELY FROM AND SECURED BY A PLEDGE OF RENTAL PAYMENTS UNDER THE LEASE AND THE SUBLEASES AND ARE NOT SECURED BY ANY LIEN ON, OR INTEREST IN, THE PROPERTIES CONSTITUTING THE PROJECT OR ANY AMOUNTS DERIVED THEREFROM.

Brief descriptions of the Commonwealth, the Commission, the Resolution, the Bonds, the Lease, the Subleases, the Project, the Cabinet and the Sublessees are included in this Official Statement. Capitalized terms not otherwise defined herein have the meanings assigned to them in the Resolution. All summaries of documents and agreements in this Official Statement are qualified in their entirety by reference to such documents and agreements, copies of which are available at the Office of Financial Management, 702 Capital Avenue, Suite 76, Frankfort, Kentucky 40601, (502) 564-2924. This Official Statement will be posted with the Electronic Municipal Market Access (“EMMA”) system.

THE BONDS

General

The Bonds are issuable only as fully registered Bonds. The Bonds will be issued in denominations of \$5,000 or any integral multiple thereof and will be dated the date of their delivery. The Bonds will bear interest payable on each November 1 and May 1, commencing on November 1, 2020, at the interest rates set forth on the cover of this Official Statement. Interest on the Bonds will be calculated on the basis of a 360-day year of twelve 30-day months. The fifteenth day of the calendar month prior to each date established for the payment of the principal, interest or premium, if any, on the Bonds, whether by maturity, acceleration or redemption, is the record date established for the Bonds. U.S. Bank National Association, Louisville, Kentucky, is the trustee for the Bonds (the “Trustee”).

Redemption

The Bonds are not subject to optional redemption.

Book-Entry-Only System

The Bonds initially will be issued solely in book-entry form to be held in the book-entry-only system maintained by DTC. So long as such book-entry-only system is used, only DTC will receive or have the right to receive physical delivery of Bonds and Beneficial Owners will not be or be considered to be, and will not have any rights as, owners or holders of the Bonds under the Resolution. For additional information about DTC and the book-entry-only system, see EXHIBIT E – BOOK-ENTRY-ONLY SYSTEM.

SECURITY FOR THE BONDS

The Bonds are not secured by a lien on any properties constituting the Project or any amounts derived therefrom. The principal of, premium, if any, and interest on the Bonds are payable solely from the Bond Fund

(hereinafter defined) and from the rental payments of the Cabinet and the Sublessees under the Lease and the Subleases, respectively. See “SUMMARIES OF THE PRINCIPAL DOCUMENTS” herein.

The Kentucky General Assembly has appropriated to the Cabinet and the Sublessees amounts sufficient to meet the rental payments under the Lease (and the Subleases), and therefore to permit the Commission to meet the debt service requirements of the of the Project No. 122 Bonds (including the Bonds) through June 30, 2021.

Under the provisions of the Constitution of the Commonwealth, the Cabinet and the Sublessees are prohibited from entering into financing obligations extending beyond the biennial budget. Appropriations for the rental payments under the Lease and the Subleases are subject to the discretion and approval of the General Assembly of the Commonwealth. There can be no assurance that (i) any such appropriation will be forthcoming in future sessions or (ii) in the performance of his or her obligation to balance the Commonwealth’s annual budget, the Governor will not reduce or eliminate such appropriations. **FAILURE OF THE CABINET TO RECEIVE SUCH APPROPRIATIONS WILL HAVE A MATERIAL ADVERSE EFFECT ON THE COMMISSION’S ABILITY TO PAY THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS.**

Except for amounts used for issuance costs, proceeds of the Bonds will be deposited in the debt service fund established under the related resolution for the Prior Bonds being refunded by the Bonds and applied to the refunding of such Prior Bonds.

THE BONDS ARE SPECIAL AND LIMITED OBLIGATIONS OF THE COMMISSION AND ARE PAYABLE SOLELY FROM THE REVENUES AND FUNDS SPECIFICALLY PLEDGED FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS.

PLAN OF FINANCE

The proceeds of the Bonds will be used by the Commission and the Cabinet to (i) refund on a forward basis the Prior Bonds identified in EXHIBIT D - SUMMARY OF PRIOR BONDS and (ii) pay costs of issuing the Bonds.

The Cabinet and the Sublessees will lease and sublease the Project from the Commission under the Lease and the Subleases, and amounts initially payable under the Subleases will also be applied to the payment of the principal of, premium, if any, and interest on the Project No. 122 Bonds (including the Bonds). For further information on the Sublessees, see “THE STATE AGENCIES” herein.

To provide for the refunding of the Prior Bonds, on the date of issuance of the Bonds, certain proceeds of the Bonds will be deposited with the trustee for the Prior Bonds.

Forward Delivery Bond Purchase Agreement for The Bonds

The Bonds are being sold pursuant to a Forward Delivery Bond Purchase Agreement dated October 8, 2019 (the “Forward Delivery Agreement”), between the Commission and Citigroup Global Markets Inc., acting on its own behalf, and as representative (the “Representative”) of the underwriters named therein (collectively, the “Underwriters”) and will be delivered on or about May 4, 2020, subject to the approval of validity and certain other matters by Bond Counsel and the satisfaction of certain other conditions set forth in the Forward Delivery Agreement. See “CERTAIN FORWARD DELIVERY CONSIDERATIONS FOR THE BONDS” herein.

An investment in the Bonds involves certain additional risks due to the forward delivery of the Bonds. The delivery of the Bonds is subject to satisfaction of certain conditions precedent. For a discussion of certain factors that should be considered by prospective investors in evaluating an investment in the Bonds, see “CERTAIN FORWARD DELIVERY CONSIDERATIONS FOR THE BONDS” herein. The Bonds will be sold only to purchasers who execute a Forward Delivery Contract, a form of which is set forth in EXHIBIT H. Financing for approved projects is provided through the issuance of Fund C bonds secured by local governmental agency receipts.

The state match for Fund F projects is funded through bonds by General Fund appropriations. Functions of these programs include coordination of an emergency management system of mitigation, preparedness, response and recovery to protect the lives, environment and property of Kentucky citizens.

THE COMMONWEALTH

The Commonwealth of Kentucky, nicknamed the Bluegrass State, was the fifteenth state and first state west of the Alleghenies to be settled by pioneers. Kentucky is bounded by the Ohio River to the north and the Mississippi River to the west, and is bordered by the States of Illinois, Indiana, Ohio, West Virginia, Tennessee, Missouri and the Commonwealth of Virginia.

Kentucky has been quite successful in establishing a diverse economic climate that supports businesses to thrive internationally. In 2019, Kentucky's total exports reached an all-time high with \$33.1 billion in goods and services shipped abroad, a 4.0 percent increase from one year prior. Ranking number one in bourbon exports, vehicle production per capita, and foreign direct investment jobs, the Commonwealth boasts a positive economic environment. While best known for its signature bourbon and equine industries, Kentucky heritage is also deeply rooted by the automotive, manufacturing, aerospace, primary metals, logistics, chemicals, healthcare, plastic and rubber industries.

As indicated in the *Commonwealth of Kentucky Quarterly Economic & Revenue Report Third Quarter Fiscal Year 2020*, Kentucky personal income grew by 3.9 percent in the third quarter of FY20. Kentucky personal income growth has been solid and steady for the last 13 quarters, averaging 1.0 percent adjacent-quarter growth during that time. Kentucky personal income grew 1.3 percent in the third quarter on an adjacent-quarter basis.

Proprietor's income was the fastest growing component of personal income in the third quarter, gaining 6.9 percent over the previous year. Proprietor's income has been very strong for the last three quarters. Adjacent-quarter growth for the last three quarters is 5.2, 1.0, and 1.5 percent, respectively. Proprietor's income is the smallest of the five contributing income components, making up 6.6 percent of total personal income in the third quarter of FY20.

Dividends, interest, and rents income was the slowest growing component of personal income in the third quarter, growing 1.7 percent. Growth in dividends, interest, and rents has slowed considerably in the last five quarters. Average adjacent-quarter growth in the five quarters between the second quarter of FY18 to the second quarter of FY19 was 1.9 percent. Average adjacent-quarter growth during the last five quarters was 0.2 percent. Average adjacent-quarter growth in the third quarter of FY20 was 0.1 percent. Dividends, interest, and rents income growth has essentially stalled. Dividends, interest, and rents income is the third largest component of the five contributing income components, making up 16.9 percent of total personal income in the third quarter of FY20.

Kentucky non-farm employment grew by 0.2 percent in the third quarter of FY20. Adjacent-quarter growth was also 0.2 percent. Kentucky employment growth has been weak for some time, but it has been pronounced over the last four quarters. Adjacent-quarter growth over the last four quarters was -0.01, 0.2, -0.1, and 0.2 percent, respectively. That weakness is widespread across all 11 employment supersectors. The *Quarterly Economic and Revenue Report for the Third Quarter Fiscal Year 2020* will be available on April 30, and may be found together with the previous quarterly reports at www.osbd.ky.gov.

COVID-19 has rapidly evolved from a healthcare crisis to an economic crisis, shuttering business operations and upending industries. Financial markets have been left reeling from the volatile conditions, further exacerbating the magnitude of the economic impacts. Kentucky, like many states, is anticipating a particularly large disruption to growth over the forecast horizon. The Commonwealth's economic outlook reflects a bleak trajectory for the fourth quarter of FY20 and forecasts sustained negative growth for the full year of FY21.

In comparison to OSBD's economic outlook released in January, employment and personal income projections have taken a decided turn for the worse based on an appreciable revised national outlook published in April by IHS Markit. Even with the most up to date national variables factored in the outlook, a significant degree of uncertainty looms over Kentucky's forecast horizon in anticipation of the bottom to form. As with all states, the economic outcomes will heavily depend on the pandemic's course. The revenue forecast mirrors the economic outlook, with significant declines expected in the fourth quarter of FY20 followed by further setbacks in FY21. Both

the General Fund and the Kentucky Road Fund will see double-digit losses in revenue growth in the fourth quarter of FY20.

See “CONTINUING DISCLOSURE” and “EXHIBIT G – FORM OF CONTINUING DISCLOSURE AGREEMENT” herein. In addition, ongoing financial disclosure regarding the Commonwealth will be available through the filing by the Commonwealth of two documents entitled *The Kentucky Comprehensive Annual Financial Report* and *Supplementary Information to the Kentucky Comprehensive Annual Financial Report* (or successor reports) with EMMA as required under Rule 15c2-12.

Budgetary Process in the Commonwealth

General. The General Assembly is required by the Kentucky Constitution to adopt measures providing for the state’s revenues and appropriations for each fiscal year. The Governor is required by law to submit a biennial State Budget (the “State Budget”) to the General Assembly during the legislative session held in each even numbered year. State Budgets have generally been adopted by the General Assembly during those legislative

sessions, which end in mid-April, to be effective upon the Governor's signature for appropriations commencing for a two year period beginning the following July 1.

In the absence of a legislatively enacted budget, the Supreme Court has ruled that the Governor has no authority to spend money from the state treasury except where there is a statutory, constitutional or federal mandate and the Commonwealth may be prevented from expending funds for certain state governmental functions, including the ability to pay principal of, premium, if any, and interest, when due, on obligations that are subject to appropriation. The Bonds are obligations that are subject to appropriation.

Fiscal Year 2017

The Commonwealth's combined net position (governmental and business-type activities) totaled (\$15.8) billion at the end of Fiscal Year 2017, as compared to (\$14.6) billion at the end of the previous year.

The largest portion of the Commonwealth's net position, \$23 billion, is net investment in capital assets (e.g. land, infrastructures, buildings and improvements and machinery and equipment), minus any related debt, which is still outstanding and used to acquire those assets. The Commonwealth uses these capital assets to provide services to its citizens; therefore, these assets are not available for future spending. The second largest portion of the Commonwealth's net position, totaling \$1.5 billion, is restricted and represents resources that are subject to either external restrictions or legislative restrictions on how they may be used. The remaining balance is unrestricted net position. The unrestricted net position, if it has a positive value, could be used at the Commonwealth's discretion. However, the unrestricted balance is (\$40.2) billion; therefore, funds are not available for discretionary purposes. A contributing factor to the negative balance is that liabilities are recognized on the government-wide statement of net position when the obligation is incurred. Accordingly, the Commonwealth recognizes long-term liabilities (such as general bonded debt, compensated absences, unfunded employer pension cost, and contingent liabilities-shown in Note 15 to the financial statements) on the statement of net position.

The Commonwealth received program revenues of \$14.9 billion and general revenues (including transfers) of \$12.3 billion for total revenues of \$27.2 billion during Fiscal Year 2017. Expenses for the Commonwealth during Fiscal Year 2017 were \$28.4 billion, which resulted in a total decrease of the Commonwealth's net position in the amount of \$1.2 billion, net of contributions, transfers and special items.

The change in net position resulted in a decrease from the previous year. The decrease in net position of governmental activities was \$1.45 billion or 9.6 percent. Approximately 47.8 percent of the governmental activities' total revenue came from taxes, while 43.7 percent resulted from grants and contributions (including federal aid). Overall, program revenues were insufficient to cover program expenses for governmental activities. Therefore, the net program expenses of these governmental activities were supported by general revenues, mainly taxes.

At June 30, 2017, the Commonwealth's governmental funds reported combined ending fund balances of \$2.1 billion, a net decrease of \$232.6 million in comparison with the prior year. \$97 million is non-spendable and is comprised of inventories, notes receivables, cash with fiscal agents, and restricted cash that must remain intact. The \$1.9 billion is restricted for certain purposes and is not available to fund current operations. The \$91.2 million is considered unrestricted (committed, assigned, or unassigned). When the unrestricted balance is positive it is available for spending either at the government's discretion or upon legislative approval.

The General Fund balance at June 30, 2017, was \$6.2 million. The balance reported reflects a decrease of \$349 million from the previously reported amount, which represents a decrease of 98.3%. The major factor for the decrease in fund balance is an increase in expenditures of \$880 million or 9.2%.

The General Fund balance is segregated into non-spendable and spendable amounts with the spendable amounts further segregated as restricted, committed, assigned, and unassigned. Inventory of \$6.2 million represents the non-spendable amount. The unrestricted had a balance of \$55 thousand, therefore is available for spending at the government's discretion or upon legislative approval.

The major special revenue funds experienced normal cyclical changes in revenues and expenditures. The revenues increased by \$120.2 million from the previous year, a change of less than 1 percent. Expenditures

increased by \$247.5 million from the previous year, a change of 1.8 per cent. The Transportation Fund experienced a slight increase in revenues and a small decrease in expenditures, resulting in an increase in fund balance of \$76.5 million.

The Commonwealth's bonded debt increased by \$64.7 million to \$6.6 billion, a 1.0% increase during the current fiscal year. The major factors in this increase are the issuance of new debt to advance refund debt outstanding to reduce future interest cost and the issuance of new debt to fund new projects authorized during Fiscal Year 2017. No general obligation bonds were authorized or outstanding at June 30, 2017.

Fiscal Year 2018

The Commonwealth's combined net position (governmental and business-type activities) totaled (\$16.8) billion at the end of fiscal year 2018, as compared to (\$15.8) billion at the end of the previous year.

The largest portion of the Commonwealth's net position, \$24 billion, is net investment in capital assets (e.g. land, infrastructures, buildings and improvements and machinery and equipment), minus any related debt, which is still outstanding and used to acquire those assets. The Commonwealth uses these capital assets to provide services to its citizens; therefore, these assets are not available for future spending. The second largest portion of the Commonwealth's net position, totaling \$1.9 billion, is restricted and represents resources that are subject to either external restrictions or legislative restrictions on how they may be used. The remaining balance is unrestricted net position. The unrestricted net position, if they have a positive value, could be used at the Commonwealth's discretion. However, the unrestricted balance is (\$42.4) billion; therefore, funds are not available for discretionary purposes. A contributing factor to the negative balance is that liabilities are recognized on the government-wide statement of net position when the obligation is incurred. Accordingly, the Commonwealth recognizes long-term liabilities (such as general bonded debt, compensated absences, unfunded employer pension cost, and contingent liabilities-shown in Note 16 to the financial statements) on the statement of net position.

The Commonwealth received program revenues of \$15.1 billion and general revenues (including transfers) of \$12.8 billion for total revenues of \$27.8 billion during fiscal year 2018. Expenses for the Commonwealth during fiscal year 2018 were \$29.2 billion, which resulted in a total decrease of the Commonwealth's net position in the amount of \$1.4 billion, net of contributions, transfers and special items.

The change in net position resulted in a decrease from the previous year. The decrease in net position of governmental activities was \$1.6 billion. Approximately 48.1 percent of the governmental activities' total revenue came from taxes, while 40.1 percent resulted from grants and contributions (including federal aid). Overall, program revenues were insufficient to cover program expenses for governmental activities. Therefore, the net program expenses of these governmental activities were supported by general revenues, mainly taxes.

At June 30, 2018, the Commonwealth's governmental funds reported combined ending fund balances of \$2.4 billion, a net increase of \$325.5 million in comparison with the prior year. \$112 million is non-spendable and is comprised of inventories, notes receivables, cash with fiscal agents, and restricted cash that must remain intact. The \$2.2 billion is restricted for certain purposes and is not available to fund current operations. The \$84 million is considered unrestricted (committed, assigned, or unassigned). When the unrestricted balance is positive it is available for spending either at the government's discretion or upon legislative approval.

The General Fund balance at June 30, 2018, was negative \$59 million. The balance reported reflects a decrease of \$65.9 million from the previously reported amount. The major factor for the decrease in fund balance was increased spending in Medicaid and criminal justice although spending in other areas decreased.

The General Fund balance is segregated into non-spendable and spendable amounts with the spendable amounts further segregated as restricted, committed, assigned, and unassigned. Inventory of \$5.8 million represents the non-spendable amount.

The major special revenue funds experienced normal cyclical changes in revenues and expenditures. The revenues increased by \$209 million from the previous year, a change of 1.5 percent. Expenditures increased by

\$247.5 million from the previous year, a change of 1.8 percent. The Transportation Fund experienced a slight increase in revenues and a small decrease in expenditures, resulting in an increase in fund balance of \$72.8 million.

The Commonwealth's bonded debt increased by \$42 million to \$6.7 billion, a 1.0% increase during the current fiscal year. The major factors in this increase are the issuance of new debt to refund debt outstanding to reduce future interest cost and the issuance of new debt to fund new projects authorized during fiscal year 2018. No general obligation bonds were authorized or outstanding at June 30, 2018.

Fiscal Year 2019

The Commonwealth's combined net position (governmental and business-type activities) totaled (\$14.2) billion at the end of fiscal year 2019, as compared to (\$16.8) billion at the end of the previous year.

The largest portion of the Commonwealth's net position, \$23.6 billion, is net investment in capital assets (e.g. land, infrastructures, buildings and improvements and machinery and equipment), minus any related debt, which is still outstanding and used to acquire those assets. The Commonwealth uses these capital assets to provide services to its citizens; therefore, these assets are not available for future spending. The second largest portion of the Commonwealth's net position, totaling \$2.2 billion, is restricted and represents resources that are subject to either external restrictions or legislative restrictions on how they may be used. The remaining balance is unrestricted net position. The unrestricted net position, if they have a positive value, could be used at the Commonwealth's discretion. However, the unrestricted balance is (\$40.1) billion; therefore, funds are not available for discretionary purposes. A contributing factor to the negative balance is that liabilities are recognized on the government-wide statement of net position when the obligation is incurred. Accordingly, the Commonwealth recognizes long-term liabilities (such as general bonded debt, compensated absences, unfunded employer pension cost, and contingent liabilities-shown in Note 16 to the financial statements) on the statement of net position.

The Commonwealth received program revenues of \$15.7 billion and general revenues (including transfers) of \$13.4 billion for total revenues of \$29.1 billion during fiscal year 2019. Expenses for the Commonwealth during fiscal year 2019 were \$26.5 billion, which resulted in a total increase of the Commonwealth's net position in the amount of \$2.6 billion, net of contributions, transfers and special items.

The change in net position resulted in an increase from the previous year. The increase in net position of governmental activities was \$2.6 billion. Approximately 47.8 percent of the governmental activities' total revenue came from taxes, while 43.5 percent resulted from grants and contributions (including federal aid). Overall, program revenues were insufficient to cover program expenses for governmental activities. Therefore, the net program expenses of these governmental activities were supported by general revenues, mainly taxes.

At June 30, 2019, the Commonwealth's governmental funds reported combined ending fund balances of \$2.4 billion, a net increase of \$10 million in comparison with the prior year. \$72 million is non-spendable and is comprised of inventories, notes receivables, cash with fiscal agents, and restricted cash that must remain intact. The \$1.9 billion is restricted for certain purposes and is not available to fund current operations. The \$427 million is considered unrestricted (committed, assigned, or unassigned). When the unrestricted balance is positive it is available for spending either at the government's discretion or upon legislative approval.

The General Fund balance at June 30, 2019, was \$233 million. The balance reported reflects an increase of \$289 million from the previously reported amount. The major factor for the increase in fund balance was increased tax revenue and the reduction of KTRS Pension and Other Post Employment Liabilities.

The General Fund balance is segregated into non-spendable and spendable amounts with the spendable amounts further segregated as restricted, committed, assigned, and unassigned. Inventory of \$7.4 million represents the non-spendable amount.

The major special revenue funds experienced normal cyclical changes in revenues and expenditures. The revenues increased by \$739 million from the previous year, a change of 5.2 percent. Expenditures increased by \$636 million from the previous year, a change of 4.6 percent. The Transportation Fund experienced a slight increase in revenues and an increase in expenditures, resulting in a decrease in fund balance of \$25.3 million.

The Commonwealth of Kentucky's bonded debt decreased by \$484 million to \$6.3 billion, a 7.1 percent decrease during the current fiscal year. The major factors in this decrease is a result of the refunding of old issues by the FY19 new issues. The remaining liability on the retired bonds plus the FY19 principle payments on the remaining bonds outstanding were greater than the FY19 issues for new projects. No general obligation bonds were authorized or outstanding at June 30, 2019.

Fiscal Year 2020 (Unaudited)

As reported by the Office of the State Budget Director on April 10, 2020, the March 2020 General Fund receipts rose 6.8 percent compared to the same month of the previous Fiscal Year. Total revenues for the month were \$876.1 million, compared to \$820.1 million during March 2019, an increase of \$56.0 million. Compared to last year, Road Fund receipts grew 6.0 percent in March 2020 with collections of \$127.3 million, an increase of \$7.2 million. The revenue estimate for FY20 approved by the Consensus Forecasting Group in December 2019, called for 1.6 percent growth for the fiscal year. The official revenue enacted by the 2020 Session of the General Assembly reduced that General Fund estimate by \$128 million and the Road Fund revenue estimate by \$21 million in House Bill 352, which is pending action by Governor Beshear.

March General Fund collections reflect predominately February economic activity. The COVID-19 virus will have a profound impact on the economy and tax collections, and its effects on tax receipts will begin to be seen in April. The temporary suspension of most retail activity and many other sectors of the economy has led to a dramatic increase in claims for unemployment insurance, which will lead to lower income tax withholding in the coming months. These business suspensions will also profoundly affect sales tax revenues as well. Individual income and sales taxes comprise about 77 percent of General Fund revenues. The well-being of the state's economy and tax revenue is intertwined with the course of the COVID-19 pandemic, so the upcoming downturn in revenue collections will not abate until the public health crisis improves.

Consensus Forecasting Group; Official Revenue Forecasts

The Consensus Forecasting Group ("CFG"), in conjunction with the Office of the State Budget Director ("OSBD"), is statutorily charged with the responsibility of developing budget planning reports, preliminary revenue estimates, and official revenue estimates for each branch of government and the General and Road funds, pursuant to KRS 48.120 and KRS 48.115. The CFG is staffed by the Legislative Research Commission ("LRC") but receives econometric and modeling support from the Governor's Office for Economic Analysis, an organizational unit of the OSBD. Members of the CFG are jointly selected by the State Budget Director and the LRC.

Subject to modification by the General Assembly, appropriations made in the branch budget bills enacted for each branch of government shall be based upon the official revenue estimates presented to the General Assembly by the OSBD in conjunction with the CFG. The enacted estimates shall become the official revenue estimates of the Commonwealth upon the branch budget bills becoming law, and shall remain the official revenue estimates of the Commonwealth until revised by the CFG, as provided in KRS 48.115(2).

As estimated by the Office of the Budget Director, fiscal impacts of legislative changes for all tax bills enacted during the 2018 and 2019 Regular Sessions are \$172.0 million and \$160.0 million for FY20 and FY21, respectively.

The Office of the State Budget Director makes available on its website the CFG official, enacted and revised revenue estimates for the General and Road Funds.

The Consensus Forecasting Group met on December 17, 2019 to render the official estimates. Three scenarios from IHS Markit (Control, Optimistic, and Pessimistic) were used as inputs in the OSBD's MAK model, an analytical model that takes US trends in employment and income as predetermined variables in order to estimate Kentucky-specific forecasts for employment and personal income. The CFG adopted the optimistic scenario for Fiscal Year 2020 and a 70-percent control and 30-percent pessimistic blended forecast for Fiscal Year 2021 and Fiscal Year 2022. General Fund growth rates for the 2020-2022 biennium were 1.6 percent, 1.3 percent, and 1.8 percent respectively. For the Road Fund, the CFG opted for the control, or baseline, forecast for Fiscal Year 2020

and for the biennial estimates. Road Fund growth rates were projected to increase of 0.4 percent in Fiscal Year 2020, remain level in Fiscal Year 2021, and increase by 1.3% in Fiscal Year 2022.

The General Assembly during its 2020 Regular Session enacted the CFG's Pessimistic forecast for revenues for both the General Fund and the Road Fund for Fiscal Year 2021 with no estimate for Fiscal Year 2022. Concurrently a one-year budget was adopted with the intent to address the Fiscal Year 2022 budget during the 2021 Regular Session of the General Assembly. This non-traditional approach was a direct effect of the uncertainty caused by the temporary economic slow-down caused by actions taken to combat COVID-19.

The official revenue estimates, as adopted by the CFG, legislatively enacted by the General Assembly, revised by the CFG and compared to actual General and Road Fund totals for Fiscal Years 2015 through 2020 are represented below:

The revised CFG revenue estimate for MSA payments in Fiscal Year 2020 is \$110.9 million and the adopted revenue estimates for MSA payments is \$106.3 million in Fiscal Year 2021 and \$103.0 million in Fiscal Year 2022. The enacted amount for MSA by the General Assembly during the 2020 Regular Session was \$106.3 million in Fiscal Year 2021.

The Office of the State Budget Director makes available on its website monthly updates to the General Fund receipts and the Road Fund receipts. When published, the updates can be found at www.osbd.ky.gov.

Investment Policy

The Commonwealth's investments are governed by KRS 42.500 et seq. and KAR Title 200 Chapter 14. The State Investment Commission ("SIC"), comprised of the Governor, the Treasurer, Secretary of the Finance and Administration Cabinet and two gubernatorial appointees from the Kentucky Banker's Association and Bluegrass Community Bankers Association, is charged with the oversight of the Commonwealth's investment activities. The Commission is required to meet at least quarterly, and delegates day-to-day investment management to the Office of Financial Management.

On March 31, 2020, the Commonwealth's operating portfolio was approximately \$4.713 billion in cash and securities. The composition of investments was as follows: U.S. Treasury securities (36.5%); securities issued by agencies and instrumentalities of the United States Government (28.3%); mortgage-backed securities and collateralized mortgage obligations (4.3%); repurchase agreements collateralized by the aforementioned (5.0%); municipal securities (0.0%); and corporate and asset-backed securities, including money market securities (25.9%). The portfolio had a current yield of 0.35% and an effective duration of 0.50 years.

The Commonwealth's investments are currently categorized into three investment pools; the Short Term, Limited Term, and the Intermediate Term Pools. The purpose of these pools is to provide economies of scale that enhance yield, ease administration and increase accountability and control. The Short Term Pool consists primarily of the General Fund and related accounts. The Limited Term Pool is a money market like pool which focuses on principal protection for certain agency funds. The Intermediate Term Pool represents a combination of Agency Fund investments, state held component unit funds, fiduciary funds held for the benefit of others, and also bond proceeds for capital construction projects, held until spent for their intended purpose. Bond proceeds were previously invested separately until July 2010 when they were added into the Intermediate Term Pool to provide additional economies of scale.

The Commonwealth engages in selective derivative transactions. These transactions are entered into only with an abundance of caution and for specific hedge applications to minimize yield volatility in the portfolio. The SIC expressly prohibits the use of margin or other leveraging techniques. The Commonwealth executes a variety of transactions which may be considered derivative transactions, which include: the securities lending program, over the counter treasury options, interest rate swaps, mortgage-backed securities, collateralized mortgage obligations and asset-backed securities.

The Commonwealth has had a securities lending program since the mid-1980s. The Commonwealth is able to enter into either a principal relationship or an agent relationship. In a principal relationship the Commonwealth reverses its treasury and agency securities in exchange for 102 percent of "Eligible Collateral," marked to market daily. "Eligible Collateral" is defined as securities authorized for purchase pursuant to KRS 42.500. In an agent program the agent, Deutsche Bank, lends the Commonwealth's treasuries and agencies, takes the cash received from the loan and invests it in Eligible Collateral authorized for purchase pursuant to KRS 42.500. The income generated by these transactions is split between the agent and the Commonwealth.

KAR Title 200 Chapter 14 provides, among other things that: corporate securities, inclusive of Commercial Paper, Banker's Acceptances and Certificates of Deposit are limited to \$25 million per issuer and a stated final maturity of five years or less. Money market securities rated A1 P1 or higher are limited to 20 percent of the investment pools. Asset-Backed Securities ("ABS") are limited to 20 percent of the investment pools. Mortgage-Backed Securities ("MBS") and Collateralized Mortgage Obligations ("CMO") are also limited to a maximum of 25 percent of the investment pools. ABS, MBS and CMO must have a weighted average life of four years or less at time of purchase. Changes have been proposed for these regulations which generally would tighten the securities eligible for purchase while allowing a larger position in certain of those security types.

Interest Rate Swaps

Historically, the Commonwealth utilized interest rate swaps for the purpose of hedging certain of its current or projected interest-sensitive assets and interest-sensitive liabilities. ALCo is the agency with specific statutory authority to enter into and manage interest rate swaps and other similar vehicles. As of March 31, 2020, ALCo had one interest rate swap outstanding with a total notional amount outstanding of \$134,850,000. This swap transaction

consists of a series of four amortizing “cost of funds” interest rate swaps that totaled \$243.08 million at the time of execution and having maturity dates beginning November 1, 2017 through November 1, 2027. This transaction is integrated as part of the issuance of ALCo’s 2007 \$243.08 million General Fund Floating Rate Project Notes.

State Retirement Systems

Following is information about the Commonwealth’s retirement system, including pension plans and other post-employment benefits. Capitalized terms used under this heading and not otherwise defined shall have the respective meanings given by the CAFRs, as herein defined.

Retirement Plans. Eligible state employees may participate in one of two provided multi-employer benefit plans: the Kentucky Retirement Systems and the Teachers’ Retirement System of Kentucky (“TRS”). The Kentucky Retirement Systems is comprised of five retirement plans, KERS Non-Hazardous, KERS Hazardous, County Employees Retirement System (“CERS”) Non-Hazardous, CERS Hazardous, and the State Police Retirement System (“SPRS”). Each retirement plan is state supported, except for the CERS plans, which have been excluded from the Kentucky Retirement Systems information provided herein. The Kentucky Retirement Systems and TRS (collectively, the “Retirement Plans”) provide both retirement and Other Post-Employment Benefits (“OPEB”) to state employees and teachers based upon their age, hire date, years of service and retirement date. Most retirement benefits are subject to a statutory inviolable contract under which the benefits shall not, with limited exceptions, be reduced or impaired by alteration, amendment or repeal. Kentucky Employees Retirement System (“KERS”) eligible employees hired January 1, 2014 and thereafter, are no longer party to the inviolable contract and the General Assembly can amend, suspend or reduce benefits with future legislation. The Kentucky Public Employees’ Deferred Compensation Authority (the “KDC”) additionally provides administration of tax-deferred supplemental retirement plans for all state, public school and university employees, and employees of local political subdivisions that have elected to participate. The available deferred compensation plans include a 457(b) Plan and a 401(k) Plan. The Retirement Plans and KDC are component units of the Commonwealth for financial reporting purposes and are included in The Kentucky Comprehensive Annual Financial Report. For a brief description of the Retirement Plans and of the Retirement Plans’ assets and liabilities, see The Kentucky Comprehensive Annual Financial Report for Fiscal Year 2019 Note 8 beginning on page 88. Additional information regarding the Kentucky Retirement Systems and TRS can be found on their respective web sites at <https://kyret.ky.gov> and <https://trs.ky.gov>, including their respective Comprehensive Annual Financial Reports (collectively, the “CAFRs”) and the accompanying actuarial studies, described under Other Post-Employment Benefits. Only information contained on the Internet web page identified above is incorporated herein and no additional information that may be reached from such page by linking to any other page should be considered to be incorporated herein.

The following schedules are descriptions of plan benefits by hire date for employees who participate in the KERS Non-Hazardous and TRS benefit tiers.

Pension Funding. The Commonwealth's enacted budget for fiscal years 2019 and 2020 included the full Actuarially Determined Employer Contribution ("ADEC") for the assumed rates of return found on the following pages for the Kentucky Retirement Systems and TRS. Certain "Quasi" government agencies which participate in the KERS non-hazardous system were permitted to retain the FY 2018 contribution rate of 49.47% for FY 2019 and 2020. Based upon the assumptions employed in the Retirement Plans' June 30, 2019 actuarial valuation reports used in preparing the associated Retirement Plans' 2019 CAFRs, the Kentucky Retirement Systems had a state supported pension Unfunded Actuarial Accrued Liability (the "UAAL") of \$15,578 million. TRS, assuming a 7.5 percent investment return, had a pension UAAL of \$14,523 million. Unlike Fiscal Year 2017, TRS was not required to report the pension liability in accordance with GASB 67. The state supported portion of the Retirement Plans for the Fiscal Year ended June 30, 2019 had funding percentages of 16.86 percent for the Kentucky Retirement Systems and 58.12 percent for TRS. These funding percentages compare to 16.43, and 57.69 percent respectively for the Fiscal Year ended June 30, 2018. In FY2000 funding ratios were greater than 100% and decreased over a number of years due to a variety of factors including, changes to the discount rate, lower than projected investment returns and other variances from actuarial assumptions. The Kentucky Retirement Systems' state supported ADEC for pension benefits for the Fiscal Year ended June 30, 2019 was \$1,170 million; \$1,151 million was contributed. The TRS state supported pension ADEC for the Fiscal Year ended June 30, 2019 was \$1,123 million; \$1,123 million was contributed.

*The data for 6/30/156/30/19 in this schedule is as presented in the CAFR of the Teachers' Retirement System for the Fiscal Years Ended June 30, 2015 through June 30, 2019, which may be different than the GASB compliant information reported in the state CAFR.

Other Post Employment Benefits. The Commonwealth's CAFR for the fiscal year ended 6/30/2017 represents Governmental Accounting Standards Board (GASB) Statement 45 ("Accounting and Financial Reporting by Employers for Post-employment Benefits other than Pensions"). The Commonwealth adopted GASB Statement 75 ("Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions") for CAFR reporting for the fiscal year ending 6/30/2018 and after.

The Commonwealth is obligated to provide healthcare benefits to certain retired state employees and teachers. The Retirement Plans administer two multi-employer defined benefit healthcare plans (collectively, the "Health Plans") for which the Commonwealth pays a portion of the cost of the benefits of the retired employees. As of January 1, 2006, the Commonwealth commenced self-funding of healthcare benefits for state employees. The Kentucky Retirement Systems also adopted, on January 1, 2006, a self-funding health care plan for Medicare Eligible Retirees. TRS became self-insured for post-retirement healthcare costs for Medicare Eligible Retirees on July 1, 1991. Beginning January 1, 1997, TRS offered non-Medicare Eligible Retirees insurance through the state health insurance program, which has since become self-insured. Beginning January 1, 2007, TRS offered its Medicare Eligible Retirees an insured Medicare Advantage Plan and, beginning July 1, 2010, offered this group an insured Employer Group Waiver Drug Plan. The TRS Board requires retirees not eligible for Medicare to pay the equivalent for the Medicare Part B program towards their cost of health coverage.

The Retirement Plans commission actuarial studies, which provide results for consideration, under certain actuarial funding methods and sets of assumptions. A five-year experience study covering the period from July 1, 2013 to June 30, 2018 for the Kentucky Retirement Systems, was dated April of 2019. Similarly, a five-year experience study covering the period from July 1, 2010 to June 30, 2015 for the TRS Board was dated September 15, 2016. In addition to the experience studies, annual actuarial reports are performed on both retirement systems. Pursuant to their respective actuarial studies, the OPEB UAAL as of June 30, 2019 was estimated at \$1,722.4 million for the Kentucky Retirement Systems and \$1,715.7 million for TRS. These estimates represent the present value of the amount of healthcare benefits under the respective Health Plans, payable over future periods and allocated by the actuarial cost method, as of June 30, 2019. The actuarial estimates for the Kentucky Retirement Systems' OPEB liabilities increased from the \$1,505.0 million reported in the Kentucky Retirement Systems' 2018 CAFR. The actuarial estimates for TRS decreased from the \$2,145.5 million reported in their 2018 CAFR.

The Kentucky Retirement Systems' state supported OPEB Annual Required Contribution for Fiscal Year ended June 30, 2019 was \$205.0 million; \$197.2 million was contributed. The TRS state supported OPEB Annual Required Contribution for the Fiscal Year ended June 30, 2019 was \$77.7 million; \$184.6 million was contributed. The state supported portion of the OPEB for the Fiscal Year ended June 30, 2019 had funding percentages of 49.9 percent for the Kentucky Retirement Systems and 47.2 percent for TRS.

Recent Changes to State Retirement Systems.

The following link to the Kentucky Legislative Research Commission Legislative Record provides bill language, fiscal impact and actuarial analysis related to the bills in this section:
<https://legislature.ky.gov/Legislation/Pages/default.aspx>.

Senate Bill 249 of the 2020 Regular Session of the Kentucky General Assembly was signed by the Governor on April 8, 2020. The bill had several provisions that affected KERS, SPRS and CERS. The amortization of the UAAL was again reset for this system to a closed 30-year amortization beginning with the June 30, 2019 valuation, and using a level percent of payroll instead of the current level dollar amortization. Additionally, any future increases or decreases in the UAAL will be amortized over a 20-year closed period utilizing a layered amortization method. Among other administrative changes, the bill also extended to June 30, 2021 the voluntary cessation of participation date for the 118 quasi-governmental agencies identified in House Bill 1 of the 2019 Regular Session. The University determination of voluntary cessation of participation date was previously set to January 1, 2021. Finally, the bill delayed an increase of the phase-in of higher contribution rates for CERS employers.

House Bill 352 of the 2020 Regular Session vetoed in part and vetoes overridden on April 15, 2020 set the KERS employer contribution rate at 84.43 percent for FY2021 and set the 118 quasi-governmental employer contribution rate below the current ADEC rate at 49.47 percent.

House Bill 484 of the 2020 Regular Session was signed by the Governor on April 7, 2020. This bill in-effect made no administrative changes, but separated the CERS and KRS into two governing boards. Oversight of CERS shall be transferred from the Kentucky Retirement Systems board of trustees to the County Employees Retirement System board of trustees.

House Bill 1 of the 2019 Special Session of the Kentucky General Assembly was signed by the Governor on July 24, 2019. Its purpose was to address pension related changes for 118 quasi-governmental agencies including regional mental health programs, local and district health departments, domestic violence shelters, rape crisis centers, child advocacy centers, state-supported universities and community colleges. The bill froze the employer contribution rate at 49.47% for Fiscal Year 2020 and provided four avenues for voluntary cessation of participation in the Kentucky Retirement System or the option to remain in the System for those agencies. An actuarial analysis by GRS Retirement Consulting, dated July 18, 2019, projected an actuarial cost relief to those agencies of \$827 million. The FY 2020 employer contribution rate freeze at 49.47% instead of the actuarial determined rate of 83.43%, was projected to have an actuarial cost of \$121 million for FY 2020 to the Retirement System.

Senate Bill 151 from the 2018 Regular Session of the General Assembly was signed into law by the Governor on April 10, 2018. The bill modified the funding structure of the Retirement Plans from a percent-of-payroll method to a level-dollar method, provided reform to the TRS plan, further modified benefits under the Kentucky Retirement System plans, and replaced prior legislation for opt-out provisions for quasi-governmental agencies wishing to exit the Kentucky Retirement System plans. On December 13, 2018, the Kentucky Supreme Court ruled Senate Bill 151 unconstitutional based on procedural reasons, not on merits of the bill.

Some of the 2018 pension reforms were based on a PFM Group Consulting, LLC three-part report dated August 2017, May 2017 and December 2016, respectively. The report developed a range of analyses that illustrated the current and projected financial condition of the retirement systems, and provided options and recommendations for improvement and reform. The report and other selected pension reform related information may be viewed at www.osbd.ky.gov.

In May and July of 2017, the Kentucky Retirement Systems Board voted to make the following assumption changes which were used for the Fiscal Year 2017 Actuarial Report as well as used in determining the Fiscal Year 2019 and 2020 employer contributions:

In December 2016 the Kentucky Retirement Systems and TRS publicly presented the annual actuarial valuation reports of the systems as prepared by Cavanaugh Macdonald as of June 30, 2016. The assumed investment rate of return for KERS Non-Hazardous and SPRS was 6.75 percent based on the annual valuation conducted as of June 30, 2016. The KERS Hazardous, CERS and TRS plans continue to use a 7.5 percent discount rate. There was a reduction in the assumed rate of return from 7.75 percent to 7.5 percent for the valuation as of June 30, 2015.

Senate Bill 2 from the 2013 Regular Session of the General Assembly was signed into law by the Governor on April 4, 2013. The bill created a new section in KRS Chapter 7A establishing a 13 member Public Pension Oversight Board to oversee the Kentucky Retirement Systems and report to the General Assembly on benefits,

administration, investments, funding, laws, administration regulations and legislation pertaining to Kentucky Retirement Systems. The bill also stated that new employees hired after January 1, 2014 will be placed in a Hybrid Cash Balance Plan. This plan has a guaranteed rate of return of 4.0 percent for both hazardous and non-hazardous employees, plus 75 percent of the investment return in the plan in excess of 4.0 percent to the employee. Hazardous employees' employer contribution is set at 7.5 percent of salary and non-hazardous employees have an employer contribution of 4.0 percent. The bill further provides for a 1.5 percent COLA only if it is prefunded and appropriated by the General Assembly or if the pension plan is 100 percent funded. New employees as of January 1, 2014 are no longer party to the inviolable contract, and the General Assembly has the right to amend, suspend or reduce benefits with future legislation. The bill additionally made provisions for a Health Savings Account as an insurance option for retirees, required the General Assembly to start fully funding the ADEC beginning in Fiscal Year 2015, and reset the amortization to 30-years beginning in 2015.

Litigation Potentially Impacting KERS. In April 2013, Seven Counties Services, Inc. ("Seven Counties"), filed for Chapter 11 bankruptcy protection in the United States Bankruptcy Court for the Western District of Kentucky (the "Bankruptcy Court"). Seven Counties provides mental health services for the Cabinet for Health and Family Services for the greater Louisville, Kentucky area and surrounding counties. For approximately the past twenty-five years, Seven Counties has been a participating employer in KERS. Seven Counties identified KERS as a creditor with a primary objective of discharging its continuing obligation to remit retirement contributions for approximately 1,300 employees and terminate its membership in KERS. The estimated impact of Seven Counties' objective on KERS would result in an unfunded liability of approximately \$90 million at that time.

KERS opposed Seven Counties' attempt to discharge its obligations and terminate its membership. KERS asserted that Seven Counties is a Governmental Unit properly participating in KERS by Executive Order issued in 1978 and thus ineligible for Chapter 11 relief. Consequently, Seven Counties would remain statutorily obligated to continue participation and remit contributions.

On May 30, 2014, the Bankruptcy Court held that Seven Counties was not a Governmental Unit and could move forward with its Chapter 11 bankruptcy case. Moreover, the Court held that Seven Counties' statutory obligation to continue to participate and remit contributions to KERS was a "contract" eligible for rejection. Seven Counties rejected its participation in KERS.

In June 2014, KERS appealed the Bankruptcy Court's ruling. On October 6, 2014, Seven Counties filed a formal reorganization plan with the Bankruptcy Court. On January 6, 2015, the Bankruptcy Court confirmed Seven Counties' plan of reorganization (the "Confirmation Order"). On January 19, 2015, KERS appealed the Confirmation Order. At a hearing on January 20, 2015, the Bankruptcy Court denied a motion by KERS seeking a stay of the Confirmation Order, which would have delayed implementation of the reorganization plan pending the determination of the issues on appeal. After the Bankruptcy Court's denial of the stay, KERS filed an emergency motion for a stay with the U.S. District Court for the Western District of Kentucky (the "District"), which the District Court denied on February 4, 2015. On May 12, 2015, KERS filed a motion with the District Court to certify a question to the Kentucky Supreme Court in connection with whether the relationship between KERS and Seven Counties (i) constituted a "contract" subject to rejection in bankruptcy by Seven Counties or (ii) was a statutory obligation of Seven Counties not constituting a contract. On March 31, 2016, the United States District Court issued a Memorandum of Opinion and Order that (i) denied KERS' motion to certify a question of law to the Kentucky Supreme Court, (ii) reversed the Bankruptcy Court's determination regarding classifying KERS as a multi-employer plan and determined KERS was a multiple employer plan, (iii) affirmed the Bankruptcy Court's decision in all other aspects; and (iv) denied Seven Counties' cross-appeal.

On April 21, 2016, the Kentucky Retirement Systems' Board of Trustees voted to appeal the decision to the United States Court of Appeals for the Sixth Circuit ("Sixth Circuit"). KERS filed a brief with the Sixth Circuit Court of Appeals on January 3, 2017. Seven Counties then filed a brief at the end of July 2017, and oral arguments were held on November 30, 2017. On August 24, 2018, the Sixth Circuit issued an Opinion ruling that Seven Counties was not a state instrumentality within the meaning of the Bankruptcy Code and was therefore eligible to file under Chapter 11. However, the Court of Appeals also certified a question of law to the Kentucky Supreme Court regarding whether the relationship between Seven Counties and Kentucky Retirement Systems was contractual or statutory. Kentucky Retirement Systems filed a Petition for Rehearing and Rehearing En Banc which was held in abeyance until the Kentucky Supreme Court issues a decision on the certified question of law. Oral

arguments were held at the Kentucky Supreme Court on March 6, 2019, and on August 29, 2019 the Supreme Court ruled that Seven Counties participation in and its contributions to the KERS are based on a statutory obligation. The Supreme Court opinion and case information can be found at <https://appellate.kycourts.net/SC/SCDockets/CaseDetails.aspx?cn=2018SC000461>. The Supreme Court of Kentucky Opinion was forwarded to the Sixth Circuit for further action resolving the outstanding issued. On October 22, 2019 the Clerk of the Sixth Circuit sent a letter to all legal counsel in this matter stating that “the panel requests that the parties file supplemental briefs addressing how the Supreme Court of Kentucky’s decision impacts: 1) the issue of what statutory obligations must be fulfilled during the pendency of bankruptcy proceedings under 28 USC §959(b); 2) the issues presented by Seven Counties’ cross appeal; and 3) the justiciability of KERS’ petition for rehearing and rehearing en banc.” This briefing was completed on November 22, 2019 and the matter is submitted for a decision.

Other entities within the Commonwealth, including some entities with pending litigation, are attempting to terminate their participation in KERS. For example, Kentucky Retirement Systems filed an action against Kentucky River Community Care (“KRCC”) to compel it to comply with its statutory duties and require retirement plan participation. Similarly, Bluegrass Oakwood, Inc., a subsidiary of Bluegrass MHMR, attempted to terminate its participation in KERS through an action before the Kentucky Court of Appeals that was dismissed on February 24, 2015, resulting in Bluegrass Oakwood remaining as a participant in KERS. No assurance can be provided with respect to the impact of such actions, if any, on the future contribution rates.

In June 2014, the City of Fort Wright, a participating employer in CERS, filed a lawsuit against the Kentucky Retirement Systems’ Board of Trustees alleging that the Board invested CERS funds in investments that were prohibited by statute and common law. In addition, the City alleged that the Board of Trustees paid substantial asset management fees, which the suit alleges were improper. Kentucky Retirement Systems filed a motion to dismiss this action based on a number of legal issues, including the argument that the action was barred by the doctrine of sovereign immunity. Franklin Circuit Court denied the motion to dismiss. An interlocutory appeal of the sovereign immunity issue was filed at the Kentucky Court of Appeals. On September 23, 2016, the Court of Appeals upheld the Franklin Circuit Court’s ruling that sovereign immunity did not prohibit this action from proceeding. After a motion to the Kentucky Supreme Court for discretionary review of the Court of Appeals’ ruling was denied, the case returned to the Franklin Circuit Court on the merits of the claims made. Both parties filed Motions for Declaratory Judgment on the legal issue of whether or not Kentucky Retirement Systems is authorized under Kentucky law to invest CERS plan assets according to the standards established in KRS 61.650 or if some other standard applies. On September 20, 2018, Franklin Circuit Court issued an Opinion and Order denying the City of Fort Wright’s Motion for Declaratory Judgment and granting Kentucky Retirement Systems Cross-Motion for Declaratory Judgment. The City of Fort Wright appealed this decision to the Kentucky Court of Appeals, which issued an Opinion on January 10, 2020, affirming the decision of the Franklin Circuit Court in favor of the Kentucky Retirement Systems. The City of Fort Wright then filed a Motion for Discretionary Review at the Kentucky Supreme Court. Kentucky Retirement Systems filed a response and the parties are awaiting a decision.

In what is essentially a companion case to the City of Fort Wright matter outlined above, Damian Stanton filed a Complaint on September 4, 2015, alleging that he is a member of CERS and that the Board invested CERS funds in investments that were prohibited by both statutory and the common law, as well as alleging that substantial management fees were paid as a result of the investments. This case was held in abeyance pending the outcome of the Kentucky Retirement Systems’ motion for discretionary review in the Fort Wright matter. No substantive action has been taken in this matter to date. However, Mr. Stanton passed away in 2018 and a representative of his estate was substituted for Mr. Stanton in this action.

On November 17, 2016, Western Kentucky University (“WKU”) filed a motion in Franklin Circuit Court seeking a judgment against the Kentucky Retirement Systems after the Kentucky Retirement Systems asserted WKU should continue to make retirement contributions for employees who were purportedly fired as WKU employees and then rehired as contract laborers. On March 3, 2017, Kentucky Retirement Systems filed a Motion to Dismiss this action based on WKU’s failure to name necessary parties. Franklin Circuit Court denied this motion. WKU has filed a motion for Summary Judgment in this action which was denied on October 18, 2018. Additional discovery was then allowed. WKU filed a renewed motion for summary judgement, and Kentucky Retirement Systems filed a response. On March 11, 2020, Franklin Circuit Court issued an Order granting Summary Judgment

in favor of WKU. Kentucky Retirement Systems filed a Motion to Alter, Amend or Vacate on March 23, 2020 to which WKU has responded. The parties are awaiting a decision by Franklin Circuit Court.

In January 2009, Sheriff John Aubrey and a number of other plaintiffs, including hazardous duty members of the Kentucky Retirement Systems, law enforcement unions and fraternal organizations, and a number of hazardous duty employers, filed a complaint in Franklin Circuit Court seeking a determination that the 2008 amendments to KRS 61.637 regarding the legal requirements for reemployment after retirement were unconstitutional and discriminatory. The case progressed to the Supreme Court of Kentucky on a Motion to Dismiss of the Kentucky Retirement Systems based on a claim of sovereign immunity. In April 2013, the Supreme Court ruled that sovereign immunity did not prevent this case from being filed against the Kentucky Retirement Systems and remanding the case back to Franklin Circuit Court. Recently, Plaintiffs filed a Motion for Summary Judgment. Kentucky Retirement Systems filed a Response and Cross-Motion for Summary Judgment on June 14, 2017. Franklin Circuit Court issued an Opinion and Order, denying Plaintiff's Motion for Summary Judgment and granting Kentucky Retirement Systems Motion for Summary Judgment. Plaintiff appealed this action to the Kentucky Court of Appeals. On August 30, 2019 the Court of Appeals issued an opinion affirming Franklin Circuit Court's Opinion. The Court of Appeals opinion and case information can be found at <https://appellate.kycourts.net/CA/COADockets/CaseDetails.aspx?cn=2018CA000622>. Plaintiff filed a Motion for Discretionary Review at the Kentucky Supreme Court. On March 18, 2020, an Order denying discretionary review was issued.

On June 12, 2017, the River City Fraternal Order of Police and several other individuals filed a Complaint and Motion for a Restraining Order challenging the Kentucky Retirement Systems' implementation of the Medicare Secondary Payer Act as it relates to KRS 61.702, asserting that Kentucky Retirement Systems violated both the federal law and the inviolable contract rights of its members. The court granted a Temporary Restraining Order (the "TRO"); however, a hearing was held at the end of July 2017 to determine whether to dissolve the TRO or grant an injunction during the pendency of this action. On September 25, 2017, Franklin Circuit Court issued an Order in the River City FOP litigation denying the Plaintiffs' Motion for Temporary Injunction and dissolved the Court's previous Restraining Order effective November 1, 2017. Plaintiffs thereafter filed a Motion to amend their Complaint to explicitly allege a violation of the Federal Medicare Secondary Payer Act. This motion was granted. Kentucky Retirement Systems filed a notice that it was removing the case to Federal District Court, where both counsels for River City and Kentucky Retirement Systems filed motions for summary judgment. On March 21, 2019, United States District Judge William Bertelsmann issued a Memorandum Opinion and Order denying the Kentucky Retirement Systems motion for summary judgement and granting River City Fraternal Order of Police's motion for summary judgement in part. Kentucky Retirement Systems filed a motion for reconsideration, which was denied by an Order dated July 17, 2019. This Order is not final for purposes of appeal, as litigation regarding potential damages is still on going.

In December 2017, certain members and beneficiaries of the Kentucky Retirement Systems filed litigation (Mayberry et al v. KKR et al) against certain Hedge Fund Sellers, Investment, Actuarial and Fiduciary Advisors, Annual Report Certifiers, and certain (past and present) Kentucky Retirement Systems' Trustees and Officers in Franklin Circuit Court. The litigation alleges (in summary) that actuarial assumptions, fees, statements and disclosures harmed the financial status of the Retirement Systems. While Kentucky Retirement Systems is designated a "Defendant," that designation is a technical formality in so much as Kentucky Retirement Systems is a "nominal defendant." On April 20, 2018, the Kentucky Retirement Systems and the plaintiffs filed a joint notice with the Court advising that Kentucky Retirement Systems does not intend to challenge its status as a "nominal defendant." Since then, the Franklin Circuit Court has ruled on various Defendants' Motions to Dismiss, denying nearly all of them. On January 10, 2019, KKR, Henry Kravis and George Roberts (collectively, "KKR Parties") amended their Answer to assert cross claims against Kentucky Retirement Systems. Certain officer and Trustee Defendants appealed the denial of their Motion to Dismiss on immunity grounds to the Court of Appeals, and that appeal was transferred to the Kentucky Supreme Court. The hedge fund defendants filed a Petition for Writ of Prohibition in the Court of Appeals, arguing the Plaintiffs lacked standing to bring the action. That Petition was granted on April 23, 2019. Plaintiffs promptly appealed the Court of Appeals' decision to the Supreme Court of Kentucky, where it is currently pending. Oral arguments were held on October 24, 2019. The parties are awaiting a decision.

A number of related cases have also developed based on issues raised in the above referenced Mayberry action. There has been an action filed by a number of the Trustees and Officers named in Mayberry seeking reimbursement by Kentucky Retirement Systems of legal fees. There is also an appeal of an Attorney General Open Records' decision regarding an attempt by one of the corporate defendants to obtain records through the open records act rather than through discovery. Kentucky Retirement Systems has also filed an action against Hallmark Specialty Insurance seeking a declaratory judgement that Hallmark has a duty to defend and indemnify Kentucky Retirement Systems in the Mayberry action. Two of the hedge fund Defendants in the Mayberry action have also filed an action in the United States District Court for the Eastern District of Kentucky naming individual members of the current KRS Board of Trustees as Defendants. This action is seeking a judgment declaring that the Trustees violated Plaintiffs' right to due process as well as an award of costs and attorneys' fees. Three actions have also been filed in Delaware regarding the Mayberry action. One filed by Prisma Capital Partners and one filed Blackstone Alternative Asset Management allege breaches of warranties, representations and more relating to the Subscription Agreements signed by the Kentucky Retirement Systems. The third was filed by Prisma Capital Partners against the Daniel Boone Fund, LLC. Finally, an action has been filed by PAAMCO against Kentucky Retirement Systems in California also allege breaches of warranties, representations and more relating to the Subscription Agreements signed by the Kentucky Retirement Systems.

There are currently three cases pending before the Supreme Court of Kentucky regarding the validity and implementation of KRS 61.598. The portion of KRS 61.598 currently under challenge establishes the procedure for allocating to employers additional actuarial costs resulting from annual increases in an employee's creditable compensation greater than 10 percent over the employee's last five fiscal years of employment. The cases allege a variety of constitutional challenges. These cases have not been consolidated at this time and are being briefed.

SUMMARIES OF THE PRINCIPAL DOCUMENTS

The following statements are brief summaries of certain provisions of the Resolution, the Lease and the Subleases. The statements regarding the Resolution, the Lease and Subleases do not purport to be complete and reference is made to the Resolution, the Lease and the Subleases, copies of which are available for examination at the Office of Financial Management, 702 Capital Avenue, Suite 76, Frankfort, Kentucky 40601. Each Resolution and the Lease relating to each Resolution is separate from and will operate independently of the other Resolution and Lease and the occurrence of an event of default under one Resolution will not, in and of itself, constitute an event of default under the other Resolution.

The Resolution

Funds and Accounts. The following Funds and Accounts have been established under the Resolution. In addition to the deposits to the debt service funds established under the Prior Resolutions and under the Escrow Agreement described under "PLAN OF FINANCE" above, deposits of the proceeds of the Bonds and Revenues will be made as described below.

1. Bond Service Fund. The Resolution creates a Bond Service Fund with respect to the Bonds (the "Bond Fund"), to be held and maintained by the Trustee. There will be deposited into the Bond Fund all or such portion of the Revenues as will be sufficient to pay when due the principal of, premium, if any, and interest on all Bonds Outstanding under the Resolution at or before their maturity. Accrued interest on the Bonds, if any, will be deposited in the Bond Fund. The Resolution requires the Commission to deposit or cause to be deposited on or before any May 1 or November 1 with respect to the Bonds and any date set for redemption of Bonds prior to maturity (each a "Payment Date") with the Trustee all amounts required for the payment of the principal of, premium, if any, and interest on the Bonds due on such Payment Date.

No further payments are required to be made to the Bond Fund or the Series C Account therein when, and so long as, the aggregate amount therein is sufficient to retire all of the Bonds that are then Outstanding and payable plus interest due or to become due, together with redemption premium, if any.

Under the Resolution "Revenues" means, with respect to the Lease, all of the rental payments and other payments to be made by the Cabinet to the Commission pursuant to the Lease, or any other amounts received by the

Commission for the use or occupancy of the Project and any other payments or deposits to be made to the Bond Fund, including proceeds from the disposition of any portion of the Project pursuant to the Resolution.

2. Cost of Issuance Fund. The Resolution creates a Cost of Issuance Fund and, with respect to the Series C Bonds, a Series C Account therein (the “Costs of Issuance Fund”) for the Bonds to be held and maintained by the Trustee. From the proceeds of the related Series of Bonds and other available moneys, if any, deposited by the Commission at the time of delivery of such Bonds, there will be deposited therein an amount sufficient to pay certain expenses in connection with the issuance of such Series of Bonds. On payment of all duly authorized expenses incident to the issuance of such Series of Bonds, any remaining balance in the Cost of Issuance Fund will be transferred to the Bond Fund.

3. Construction Fund. The Resolution creates a Construction Fund (the “Construction Fund”) for the Bonds to be held and maintained to be held by the Treasurer of the Commonwealth. Until disbursed as authorized by the Resolutions, the Construction Fund constitutes a trust fund for the benefit of the Holders. The Construction Fund will be used for the purposes of funding that portion of the Project financed with proceeds of the Series A Bonds consisting of the acquisition, construction or undertaking of new property in connection with buildings, real estate, economic development projects, or community development projects, including costs of materials, construction work, installation of utilities, services, installation of equipment, facilities and furnishings of a permanent nature for buildings, appurtenances thereto, plans, specifications, blueprints, architectural and engineering fees and other expenses authorized to be incurred under the terms of KRS Chapters 56 and 58. Any moneys remaining in the Construction Fund after the Project is completed in full will be transferred to the Trustee to be held, in trust, in the Bond Fund.

Federal Tax Covenants of the Commission. The Commission has covenanted to do and perform all acts and things permitted by law and necessary or desirable in order to assure that the interest paid on the Federally Tax-Exempt Bonds (as defined herein) by the Commission shall be excludible from the gross income of the Holders of such Bonds for the purposes of federal income taxation and not permit the Federally Tax-Exempt Bonds to be or become “arbitrage bonds,” as defined in the Code. The Resolution creates a Rebate Fund (the “Rebate Fund”) for the Federally Tax-Exempt Bonds to be held and maintained by the Trustee, for the deposit of any amounts which are required to be deposited therein pursuant to the Tax Exemption Certificate and Agreement between the Commission and the Trustee.

Investment of Funds. Moneys in any Fund or Account established under the Resolution will be invested in obligations permitted by Kentucky law as specified in the Resolution.

Events of Default. The Resolution defines “Events of Default” as follows:

- (a) Default in the due and punctual payment of the interest on any Bond;
- (b) Default in the due and punctual payment of the principal of or premium, if any, on any Bond at maturity or upon redemption prior to maturity; or
- (c) Default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Commission in the Resolution or in the Bonds contained, and the continuance thereof for a period of 30 days after written notice given by the Trustee to the Commission or by the Holders of not less than 25 percent in aggregate principal amount of Bonds Outstanding, to the Commission and the Trustee; provided, however, that if such event of default can, in the opinion of the Trustee, be corrected but not within such period, it shall not constitute an event of default hereunder if corrective action is instituted by the Commission within such period and diligently pursued until the event of default no longer exists.

Upon the happening and continuance of any event of default described in clause (a) or (b) above, unless the principal of all the Bonds has already become due and payable, either the Trustee (by notice in writing to the Commission) or the Holders of not less than 25 percent of the principal amount of Bonds Outstanding (by notice in writing to the Commission and the Trustee) may declare the principal of all the Bonds then Outstanding and the interest accrued thereon to be due and payable immediately, and upon any such declaration the same will become and be immediately due and payable, anything in the Resolution or in any of the Bonds contained to the contrary

notwithstanding. The right of the Trustee or of the Holders of not less than 25 percent of the principal amount of Bonds then Outstanding to make any such declaration as aforesaid, however, is subject to the condition that if, at any time after such declaration, all overdue installments of interest on such Bonds and the principal of all Bonds which will have matured by their terms, together with the reasonable and proper charges, expenses and liabilities of the Trustee, are either paid by or for the account of the Commission or provision satisfactory, to the Trustee is made for such payment, then and in every such case any such default and its consequences will *ipso facto* be deemed to be annulled, but no such annulment will extend to or affect any subsequent default or impair or exhaust any right or power consequent thereon.

The Resolution provides that upon the happening and continuance of any event of default thereunder, the Trustee may proceed, and upon the written request of the Holders of not less than 25 percent in aggregate principal amount of Bonds then Outstanding must proceed, to protect and enforce its rights and the rights of the Holders under the pertinent Kentucky's Revised Statutes and under the Resolution forthwith by such suits, actions, or by special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in the Resolution or in aid of the execution of any power granted therein or in the Kentucky Revised Statutes or for the enforcement of any legal or equitable rights or remedies as the Trustee, being advised by counsel, deems most effectual to protect and enforce such rights or to perform any of its duties under the Resolution.

In the enforcement of any right or remedy under the Resolution or under the law, the Trustee is entitled to sue for, enforce payment on, and receive any or all amounts then or during the continuance of any event of default becoming, and at any time remaining, due from the Commission, for principal, premium, if any, interest or otherwise under any of the provisions of the Resolution or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest borne by the Bonds then Outstanding, to the extent permitted by law together with any and all costs and expenses of collection and of all proceedings under the Resolution and under the Bonds, without prejudice to any other right or remedy of the Trustee or of the Holders, and to recover and enforce judgment or decree against the Commission, but solely as provided in the Resolution and in the Bonds, for any portion of such amounts remaining unpaid, with interest, costs, and expenses, and to collect (but solely from the moneys in the funds and accounts established by the Resolution other than the Rebate Fund and the Escrow Fund, if applicable) in any manner provided by law, the moneys adjudged or decreed to be payable.

Regardless of the happening of an event of default, the Trustee, if requested in writing to take any action under the Resolution or the Bonds by the Holders of not less than 25 percent of the principal amount of Bonds Outstanding, has no duty to act until it is furnished with indemnification satisfactory to it. The Trustee may institute and maintain such suits and proceedings as it may be advised are necessary or expedient to prevent any impairment of the security under the Resolution or the Bonds and such suits and proceedings as the Trustee may be advised are necessary or expedient to preserve or protect its interest and the interest of the Holders, provided that such request will not be otherwise than in accordance with the provisions of law and of the Resolution and will not be unduly prejudicial to the interest of the Holders not making such request.

Individual Holder Action Restricted. No Holder of Bonds has any right to institute any suit, action, or proceeding in equity or at law for the enforcement of the Resolution or for the execution of any trust thereof or for the appointment of a receiver or the enforcement of any other right under the Kentucky Revised Statutes, unless such Holder has given to the Trustee written notice of the event of default or breach of trust or duty on account of which such suit, action, or proceeding is to be taken and unless the Holders of not less than 25 percent in aggregate principal amount of Bonds Outstanding have made written request accompanied by indemnity and security satisfactory to the Trustee and have offered it reasonable opportunity either to proceed to exercise the powers granted by the Resolution or to institute such action, suit, or proceeding in its own name, and the Trustee thereafter fails or refuses to exercise the powers granted by the Resolution or to institute such action, suit or proceeding in its, his or their own name or names. It is understood and intended that no one or more Holders of Bonds have any right in any manner whatsoever to affect, disturb or prejudice the security of the Resolution by its, his or their action or to enforce any right thereunder except in the manner therein provided, and that all proceedings at law or in equity will be instituted and maintained in the manner therein provided and for the equal benefit of the Holders of all of such Bonds then Outstanding. Nothing contained in the Resolution or in the Bonds affects or impairs the right of any Holder of any Bond to payment of the principal of, premium, if any, or interest on such Bond at and after the

maturity thereof or the obligation of the Commission to pay the principal of, premium, if any, and interest on the Bonds to the respective Holders thereof at the time and place, from the source, and in the manner therein provided and in the Bonds expressed.

Amendments to the Resolution. If it appears desirable and to the advantage of both the Commission and the Holders of the Bonds, the Commission will adopt resolutions supplemental to the Resolution, altering or amending any of the rights and obligations of the Commission or the Holders of the Bonds, but each such supplemental resolution will not become effective unless and until it has been approved as provided in the Resolution by the Holders of at least 66 2/3 percent of the principal amount of Bonds Outstanding and unless and until the opinion of counsel required by the Resolution has been delivered. Notwithstanding the foregoing, no such modifications, alterations or amendments will be made which permit an extension of the time of payment at maturity of the principal of, premium, if any, or interest on any Bond, or a reduction in the amount of principal or premium, if any, or the rate of interest thereon without the written consent of the Holder thereof, or which would reduce the percentage of Holders of Bonds whose approval is required by the Resolution for adoption of any supplemental resolution as described above.

In addition to the foregoing, the Commission and the Trustee may, without regard to the provisions set forth above, make any amendment or change to the Resolution (i) to cure any formal defect or ambiguity, if in the opinion of the nationally recognized bond counsel, such amendment or change is not adverse to the interest of the Holders of the Bonds, (ii) to grant to or confer on the Trustee for the benefit of the Holders of the Bonds any additional rights, remedies, powers, authority or security which may lawfully be granted or conferred and which are not contrary to or inconsistent with the Resolution as theretofore in effect, (iii) to permit the Trustee to comply with any obligations imposed on it by law, (iv) to achieve compliance of the Resolution with any federal tax law, (v) to maintain or improve any rating on the Bonds, or (vi) which in the opinion of nationally recognized bond counsel will not materially adversely affect the rights of Holders of the Bonds, and the Commission may adopt such supplemental resolution to accomplish the foregoing.

Change, Substitution or Other Modification of Project. Anything in each Resolution or the Lease notwithstanding, the Cabinet may, in its sole discretion, change, substitute or otherwise modify components of the Project so long as all Bond proceeds are applied to facilities, payments or undertakings which are included in and subject to rental payments under the Lease such that rental payments thereunder will be sufficient to pay principal of, premium, if any, and interest on the related Bonds; provided that any such change, substitution or modification shall not cause the Commission to be in violation of certain covenants of the Resolution.

The Trustee. The Resolution sets forth the terms and provisions regarding the responsibilities, compensation and removal of the Trustee. The Trustee is entitled to reasonable compensation from Revenues and to the extent the Commission fails to make such payment, the Trustee may make such payment from funds in its possession (other than the Rebate Fund) and shall be entitled to a preference therefor over any Outstanding Bonds. The Trustee may be removed at any time at the written request of the Commission or a majority of the Holders under the Resolution.

Discharge of the Resolution. If the Commission pays or causes to be paid, or there is otherwise paid, to the Holders of the Bonds the total principal and interest due or to become due thereon, including premium, if applicable, at the times and in the manner stipulated therein and in the Resolution then the pledge of Revenues under the Resolution, and all covenants, agreements and other obligations of the Commission to the Holders of the Bonds shall cease, terminate and become void and shall be discharged and satisfied.

Whenever there shall be held by the Trustee in the Bond Fund or an escrow fund established for such purpose, either (a) moneys in an amount which shall be sufficient, or (b) Defeasance Obligations (as defined below) the principal of, premium, if any, and interest on which when due (without consideration of reinvestment income) will provide moneys which, together with other moneys, if any, then on deposit in the Bond Fund or such escrow fund, shall be sufficient, as set forth in a verification report from a firm of independent certified public accountants, to pay when due the principal of, interest and redemption premium, if applicable, on the Bonds or any part thereof to and including the date upon which the Bonds or any of them will be redeemed or will mature, as the case may be, then and in any of said events all such Bonds shall be deemed to have been paid within the meaning and with the

effect expressed in the defeasance provisions of the Resolution, and the Trustee will and is irrevocably instructed by the Resolution to give notice thereof to the Holders of the Bonds.

As used herein, “Defeasance Obligations” means:

(a) non-callable direct obligations of the United States of America, non-callable and, non-prepayable direct federal agency obligations the timely payment of principal of and interest on which is fully and unconditionally guaranteed by the United States of America, non-callable direct obligations of the United States of America which have been stripped by the United States Treasury itself or by any Federal Reserve Bank (not including “CATS,” “TIGRS” and “TRS” unless the Commission obtains a confirmation that the Bonds defeased thereby shall be assigned a rating equivalent to the rating assigned to obligations pledging the full faith and credit of the United States by S&P (as hereinafter defined) and Moody’s (as hereinafter defined) with respect thereto) and the interest components of REFCORP bonds for which the underlying bond is non-callable (or non-callable before the due date of such interest component) for which separation of principal and interest is made by request to the Federal Reserve Bank of New York in book-entry form, and shall exclude investments in mutual funds and unit investment trusts;

(b) non-callable obligations, timely maturing and bearing interest, to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof;

(c) certificates assigned a rating equivalent to the rating assigned to obligations pledging the full faith and credit of the United States at the time of purchase by S&P, Moody’s and Fitch Ratings Inc., a New York corporation (“Fitch”) (if rated by Fitch) at the time of purchase (if rated by Fitch), evidencing ownership of the right to the payment of the principal of and interest on obligations described in clause (b), provided that such obligations are held in the custody of a bank or trust company satisfactory to the Trustee in a segregated trust account in the trust department separate from the general assets of such custodian; and

(d) bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local governmental unit of any such state (i) which are not callable at the option of the obligor or otherwise prior to maturity or as to which irrevocable notice has been given by the obligor to call such bonds or obligations on the date specified in the notice, (ii) timely payment of which is fully secured by a fund consisting only of cash or obligations of the character described in clause (a), (b) or (c) which fund may be applied only to the payment when due of such bonds or other obligations and (iii) assigned a rating equivalent to the rating assigned to obligations pledging the full faith and credit of the United States at the time of purchase by S&P, Moody’s and Fitch (if rated by Fitch).

The Lease and the Subleases

The Commission and the Cabinet have entered into the Lease whereby the Cabinet will lease the Project from the Commission and will pay rentals to the Commission during biennial renewal terms which will provide funds, together with amounts required to be paid under the Subleases, sufficient to pay the amounts due on the Project No. 122 Bonds (including the Bonds).

The Lease has a current term ending June 30, 2020 and each Sublease has a current term ending June 30, 2020. The Commission has granted the Cabinet the exclusive option to renew the Lease for successive and ensuing renewal terms of two years commencing July 1 in each even numbered year and each Sublease has corresponding renewal provisions. The last renewal term for the Lease and the Subleases relating to the Bonds ends June 30, 2040, the final maturity date for the Bonds to be issued by the Commission for the Project being November 1, 2039. Under the provisions of the Constitution of the Commonwealth, the Commission, the Cabinet and the Sublessees are each prohibited from entering into lease obligations extending beyond their biennial budget period. Notwithstanding the foregoing, the Lease and the Subleases provide that each succeeding renewal term will be deemed to be automatically renewed unless written notice of the election by the Cabinet or the applicable Sublessee, respectively, to not so renew is given to the Commission by the last business day of May (or the last business day of April under each Sublease) prior to the beginning of the next succeeding biennial renewal term. Upon the first day of the biennial renewal term, the Cabinet and the Sublessees are bound for the entire amount of the rent becoming due during such term as a general obligation of the Cabinet or the applicable Sublessee, limited to amounts appropriated

for such purpose payable from any and all funds of the Cabinet or the applicable Sublessee, including, but not limited to, appropriations, contributions, gifts, matching funds, devises and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any use of the Project in a manner inconsistent with law.

The Cabinet and the Sublessees have covenanted and agreed in the Lease and the Subleases that when appropriations bills are prepared for introduction at the various successive sessions of the General Assembly of the Commonwealth, they will cause to be included in the appropriations proposed for that biennial period to be made for the Cabinet and the Sublessees sufficient amounts (over and above all other requirements of the Cabinet and the Sublessees) to enable the Cabinet and the Sublessees to make rental payments under the Lease and Subleases and thereby produce income and revenues to the Commission to permit timely payment of the Project No. 122 Bonds (including the Bonds) as the same become due during such period. The Kentucky General Assembly recently enacted the 2020 Budget Bill, which was a one-year budget bill, rather than the usual two-year budget legislation. Under the 2020 Budget Bill, the General Assembly appropriated to the Cabinet and the Sublessees amounts sufficient to meet the rental payments due under the Lease and the Subleases, and therefore to permit the Commission to meet the debt service requirements of the Project No. 122 Bonds (including the Bonds), through June 30, 2021. It is anticipated that the General Assembly will convene in the first quarter of 2021 to consider another budget bill providing appropriations for the Commonwealth for the period July 1, 2021 through June 30, 2022.

If appropriations relating to payments under the Subleases are made directly to the Cabinet in future biennial periods so that amounts sufficient to pay principal of, premium, if any, and interest on all the Project No. 122 Bonds (including the Bonds) are appropriated to the Cabinet, such Subleases will terminate.

In the Resolution, the Commission has covenanted that it will receive and apply the lease rental payments from the Cabinet and the Sublessees to pay the principal of, premium, if any, and interest on the Project No. 122 Bonds (including the Bonds) when due, and will carry out each and every duty imposed on it by the Kentucky Revised Statutes in respect thereto.

Events of default under the Lease and each Sublease include a default in the due and punctual payment of any rent or a default in the performance of any covenants therein not remedied within 30 days (or in the process of being remedied).

If an event of default occurs under the Lease, the Commission, in addition to all other remedies given to the Commission at law or in equity, may by written notice to the Cabinet terminate the Lease or, without terminating the Lease, take possession (actually or constructively) of the Project. In such event, the Commission may sublet the Project or any portion thereof to any party it deems appropriate, and in the event of a reletting may apply the rent therefrom first to the payment of the Commission's expenses incurred by reason of the Cabinet's default, and the expense of reletting, including but not limited to any repairs, renovation or alteration of the Project, and then to the payment of rent and all other sums due from the Cabinet under the Lease upon delivery of an opinion of nationally recognized bond counsel that the subletting or reletting will not cause the interest on the Bonds to be includable in gross income for federal income tax purposes. The Cabinet has similar remedies in the event of a default by any Sublessee under its applicable Sublease. The Holders have no security interest in any properties constituting the Project or any amounts derived therefrom.

RATINGS

Moody's Investors Service, Inc. ("Moody's"), Fitch Ratings ("Fitch") and Kroll Bond Rating Agency, Inc. ("Kroll") have assigned the ratings of "A1", "A+" and "A+" to the Bonds, respectively.

The rating of each respective rating agency only reflects the view of such rating agency. An explanation of the significance of the ratings given by Moody's may be obtained from Moody's Investors Service, Inc. at 7 World Trade Center at 250 Greenwich Street, New York, New York 10007, (212) 553-0300; an explanation of the rating given by Fitch may be obtained from Fitch Ratings at One State Street Plaza, New York, New York 10004, (212) 908-0500 and an explanation of the rating given by Kroll may be obtained from Kroll Bond Rating Agency, Inc. at 805 Third Avenue, New York, New York 10022, (212) 702-0707. A rating is not a recommendation to buy,

sell or hold the Bonds and there is no assurance that ratings will continue for any given period of time or that ratings will not be revised downward or withdrawn entirely if, in the judgment of the rating agency, circumstances so warrant. Any such downward revision or withdrawal of the ratings may have an adverse effect on the market price of the Bonds.

APPROVAL OF LEGAL PROCEEDINGS

Legal matters incident to the authorization and issuance of the Bonds are subject to the approving legal opinion of Kutak Rock LLP, Omaha, Nebraska, Bond Counsel, who has been retained by, and acts as Bond Counsel to, the Commission. The form of the approving legal opinion of Bond Counsel is attached hereto as EXHIBIT F. Certain legal matters will be passed upon for the Commission by its counsel. Certain legal matters will be passed upon for the Underwriters by Frost Brown Todd LLC, Louisville, Kentucky.

LITIGATION

There is no controversy or litigation of any nature now pending or threatened restraining or enjoining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or any proceedings of the Commission taken with respect to the issuance or sale thereof, or the pledge or application of any monies or security provided for the payment of the Bonds or due existence or powers of the Commission.

CERTAIN FORWARD DELIVERY CONSIDERATIONS FOR THE BONDS

The Commission entered into a Forward Delivery Agreement for the Bonds with the Representative acting on behalf of itself and on behalf of the Underwriters. Subject to the terms of the Forward Delivery Agreement, the Commission expects to issue and deliver the Bonds on May 4, 2020, or such later date as may be mutually agreed by the Commission and the Underwriters (the "Settlement Date").

The obligation of the Underwriters to purchase the Bonds from the Commission is subject to the satisfaction of certain conditions, as outlined in the Forward Delivery Agreement, on the preliminary closing date (October 30, 2019) (the "Preliminary Closing Date") and on the Settlement Date. The conditions to be satisfied during the period from and including the date of the Forward Delivery Agreement to the Preliminary Closing Date are, in general, comparable to those required in connection with bond closings that use a customary period of up to six weeks between sale dates and settlement dates. Because of the longer period between the sale and settlement of the Bonds, there are certain additional termination rights and settlement conditions that are not generally present in bond sales that do not involve a forward delivery, and certain of those additional rights and conditions are summarized below. All the conditions and termination rights with respect to the sale and settlement of the Bonds are set forth in the Forward Delivery Agreement. The following is a description of certain provisions of the Forward Delivery Agreement. The following description is not to be considered a full statement of the terms of the Forward Delivery Agreement and accordingly is qualified by reference thereto and is subject to the full text thereof, a copy of which is available from the Commission and the Underwriters.

BY PLACING AN ORDER WITH THE UNDERWRITERS FOR THE PURCHASE OF THE BONDS, EACH PURCHASER ACKNOWLEDGES AND AGREES THAT THE BONDS ARE BEING SOLD ON A "FORWARD DELIVERY" BASIS, THAT THE PURCHASER IS OBLIGATED TO ACCEPT DELIVERY OF AND PAY FOR THE BONDS ON THE SETTLEMENT DATE SUBJECT TO THE CONDITIONS IN THE FORWARD DELIVERY AGREEMENT, AND THAT EACH PURCHASER WILL BE REQUIRED TO SIGN, AND DELIVER TO THE UNDERWRITERS, A FORWARD DELIVERY CONTRACT SUBSTANTIALLY IN THE FORM ATTACHED AS EXHIBIT H (A "FORWARD DELIVERY CONTRACT") AS A CONDITION TO ANY BONDS BEING ALLOCATED TO SUCH PURCHASER. ADDITIONALLY, EACH PURCHASER ACKNOWLEDGES AND AGREES THAT IT WILL REMAIN OBLIGATED TO PURCHASE SUCH BONDS IN ACCORDANCE WITH THE TERMS OF THE FORWARD DELIVERY CONTRACT, EVEN IF THE PURCHASER DECIDES TO SELL SUCH BONDS FOLLOWING THE DATE OF PURCHASE, UNLESS THE PURCHASER SELLS SUCH BONDS TO ANOTHER INSTITUTION WITH THE PRIOR WRITTEN CONSENT OF THE REPRESENTATIVE OF THE UNDERWRITERS AND SUCH INSTITUTION PROVIDES A WRITTEN ACKNOWLEDGEMENT OF CONFIRMATION OF PURCHASE ORDER AND A FORWARD DELIVERY CONTRACT IN THE SAME RESPECTIVE FORM AS THAT EXECUTED BY THE PURCHASER.

Settlement Date

The issuance of the Bonds and the Underwriters' obligations under the Forward Delivery Agreement to purchase, accept delivery of and pay for the Bonds on the Settlement Date are conditioned upon the performance by the Commission of its obligations thereunder, the delivery of certain certificates and legal opinions, including, without limitation, the delivery of an opinion of Bond Counsel dated the Settlement Date, substantially in the form and to the effect as set forth in Exhibit F to this Official Statement (the "Bond Counsel Opinion"), and the satisfaction of other conditions as of the Settlement Date. At any time subsequent to Preliminary Closing Date and on or prior to the Settlement Date (hereinafter referred to as the "Forward Delivery Period"), the Underwriters have the ability, without liability, to terminate their obligations under the Forward Delivery Agreement, by notifying the Commission of their election to do so, if:

- (a) as a result of any Change in Law as defined below, Bond Counsel does not expect to be able to issue an opinion on the Settlement Date either (i) substantially in the form and to the effect set forth in Exhibit F to the Official Statement or (ii) notwithstanding a Change in Law that prevents Bond Counsel from issuing an opinion substantially in the form and to the effect set forth in Exhibit F to the Official Statement, that interest on the Bonds is excluded from gross income for federal income tax purposes, is not treated as an item of tax preference under Section 57 of the Internal Revenue Code of 1986, as amended, and is exempt from Kentucky personal income tax and Kentucky corporate net income tax;
- (b) for any other reason, Bond Counsel does not expect to be able to issue an opinion substantially in the form and to the effect set forth in Exhibit F to the Official Statement;
- (c) as a result of a Change in Law that involves the enactment of federal legislation that applies only to "state or local bonds" (such as the Bonds) that are issued and delivered on or after the Preliminary Closing Date, the holder of a Series C Bond is not able to utilize the full benefit of the exclusion from gross income for federal income tax purposes of interest payable on the Bonds;
- (d) for any reason, including a Change in Law, the issuance, offering, or sale of the Bonds as contemplated by the Forward Delivery Agreement or by the Official Statement, is or would be in violation of any provision of the federal securities laws, including the Securities Act of 1933, as amended (the "33 Act"), the Securities Exchange Act of 1934, as amended (the "34 Act"), or the Trust Indenture Act of 1939, as amended (the "39 Act"); or
- (e) an event of default has occurred and is continuing, technical or otherwise, under the Resolution or the Lease; or
- (f) as of the Settlement Date, the Bonds are not rated (or any rating thereon is withdrawn or suspended) by either Moody's, Fitch, or Kroll (each as defined herein). See "RATINGS" herein.

During the Forward Delivery Period, certain information contained in this Official Statement could change in a material respect. The Commission has agreed in the Forward Delivery Agreement to deliver the Updated Official Statement not more than twenty-five (25) days nor less than ten (10) days prior to the Settlement Date.

If, on the Settlement Date, the Commission is unable to satisfy the conditions to the obligations of the Underwriters to purchase, accept delivery of and pay for the Bonds as set forth in the Forward Delivery Agreement or if the obligations of the Underwriters to purchase, accept delivery of and to pay for the Bonds are terminated for any reason permitted by items (a) through (f) above, the Forward Delivery Agreement will terminate and neither the Underwriters nor the Commission will be under any further obligation under the Forward Delivery Agreement.

Change of Law is any of the following, which occur at any time after the Preliminary Closing Date and on or prior to the Settlement Date: (i) any change in or addition to applicable federal or state law, whether statutory or as interpreted by the courts, including any changes in or new rules, regulations or other pronouncements or

interpretations by federal or state agencies, (ii) any legislation enacted by the Congress of the United States or recommended for passage by the President of the United States (whether or not such enacted or recommended legislation has a proposed effective date which is on or before the Settlement Date), (iii) any law, rule or regulation proposed or enacted by any governmental body, department or agency (whether or not such proposed or enacted law, rule or regulation has a proposed effective date which is on or before the Settlement Date) or (iv) any judgment, ruling or order issued by any court or administrative body, which in any such case cited in (i) through (iv) above would: (A) as to the Underwriters, legally prohibit (or have the retroactive effect of legally prohibiting, if enacted, adopted, passed or finalized) their purchase of the Bonds, as provided in the Forward Delivery Agreement or their sale of the Bonds or beneficial ownership interests therein to the public, or; (B) as to the Commission, make illegal the issuance, sale or delivery of the Bonds (or have the retroactive effect of making illegal the issuance, sale or delivery of the Bonds, if enacted, adopted, passed or finalized), or; (C) eliminate the exclusion from gross income of interest on the Bonds (or have the retroactive effect of eliminating the exclusion from gross income of interest on the Bonds, if enacted, adopted, passed, or finalized); or (D) require the Bonds to be registered under the 33 Act or under the 34 Act, or require the Energy Indenture to be qualified under the 39 Act (or have the retroactive effect of requiring such registration or qualification if enacted, passed, finalized or adopted).

If the Change in Law involves the enactment of legislation which only diminishes the value of, as opposed to eliminating the exclusion from gross income for federal income tax purposes of, interest payable on “state or local bonds,” the Commission may, nonetheless, be able to satisfy the requirements for the delivery of the Bonds. In such event, the Underwriters would be obligated to purchase the Bonds from the Commission and the purchasers would be required to accept delivery of the purchased Bonds from the Underwriters.

The Underwriters have advised the Commission that the Bonds will be sold only to purchasers who execute a Forward Delivery Contract, a form of which is set forth in Exhibit H. The Commission will not be a party to the Forward Delivery Contracts, and the Commission is not in any way responsible for the performance thereof or for any representations or warranties contained therein. The rights and obligations under the Forward Delivery Agreement are not conditioned or dependent upon the performance of any Forward Delivery Contract.

The Underwriters may not refuse to purchase the Bonds from the Commission except as expressly described above, and the purchasers may not refuse to purchase the Bonds from the Underwriters except as expressly described in the Forward Delivery Contract.

THE UNDERWRITERS (AND, IN TURN, THE PURCHASERS OF THE BONDS FROM THE UNDERWRITERS) MAY NOT REFUSE TO PURCHASE THE BONDS BY REASON OF “GENERAL MARKET OR CREDIT CHANGES” INCLUDING, BUT NOT LIMITED TO CHANGES IN THE RATINGS ANTICIPATED TO BE ASSIGNED TO THE BONDS, CHANGES IN THE FINANCIAL CONDITION, OPERATIONS, PERFORMANCE, PROPERTIES OR PROSPECTS OF THE AUTHORITY AFTER THE PRELIMINARY CLOSING DATE AND PRIOR TO THE SETTLEMENT DATE, CHANGES IN THE GENERAL LEVEL OF INTEREST RATES OR CHANGES IN VALUE OF THE BONDS FOR ANY REASON OTHER THAN A FULL ELIMINATION OF TAX EXEMPTION OR FOR ANY REASON OTHER THAN DESCRIBED BY ITEMS (a) THROUGH (f) ABOVE.

Additional Risks Related to the Forward Delivery Period

During the Forward Delivery Period, certain information contained in this Official Statement could change in a material respect. Changes in such information will not permit the Underwriters to terminate the Forward Delivery Agreement unless the change reflects an event described above in items (a) through (f) under “Settlement Date,” or release the purchasers of their obligation to purchase the Bonds except as expressly described in the Forward Delivery Contract.

In addition to the risks set forth above, purchasers of the Bonds are subject to certain additional risks, some of which are described below, and which will not constitute grounds for purchasers to refuse to accept delivery of and pay for the Bonds.

Prospective purchasers should consult their investment advisors before making any decision as to the purchase of the Bonds. The following discussion, while not setting forth all of the factors that should be considered,

contains some of the factors which should be considered, in addition to the other information in this Official Statement, prior to purchasing the Bonds. This section is not meant to be comprehensive or definitive, and there may be other risk factors which will become material in the future.

Opinion of Bond Counsel: Tax Law Risk. Subject to the additional conditions of settlement described under “Settlement Date” above, the Forward Delivery Agreement obligates the Commission to deliver and the Underwriters to acquire the Bonds if the Commission delivers the Bond Counsel Opinion. During the Forward Delivery Period, new legislation, new court decisions, new regulations, or new rulings may be enacted, promulgated or interpreted that might prevent Bond Counsel from rendering its opinion or otherwise affect the substance of such opinion. Notwithstanding that the enactment of new legislation, new court decisions or the promulgation of new regulations or rulings might diminish the value of, or otherwise affect, the exclusion of interest on the Bonds for purposes of federal income taxation payable on “state or local bonds,” the Commission might be able to satisfy the requirements for the delivery of the Bonds. In such event, the Underwriters would be required to accept delivery of the Bonds. Prospective purchasers are encouraged to consult their tax advisors regarding the likelihood of any changes in tax law and the consequences of such changes to such purchasers.

Ratings Risk. Ratings have been assigned to the Bonds as described under “RATINGS.” No assurances can be given that the ratings assigned to the Bonds on the Settlement Date will not be different from those currently assigned to the Bonds. Issuance of the Bonds and the Underwriters’ obligations under the Forward Delivery Agreement are not conditioned upon the assignment of any particular ratings for the Bonds or the maintenance of the initial ratings of the Bonds.

Market Value Risk. The market value of the Bonds as of the Settlement Date may be affected by a variety of factors including, without limitation, general market conditions, the ratings then assigned to the Bonds, the financial condition and operations of the Commission or the Commonwealth, and federal and state income tax and other laws. The market value of the Bonds as of the Settlement Date could therefore be higher or lower than the price to be paid by the initial purchasers of the Bonds and that difference could be substantial. The Underwriters will nevertheless be obligated to take delivery of and pay for the Bonds if the conditions in the Forward Delivery Agreement are satisfied on the Settlement Date. **NEITHER THE COMMISSION NOR THE COMMONWEALTH NOR THE UNDERWRITERS MAKE ANY REPRESENTATION AS TO THE EXPECTED MARKET PRICE OF THE BONDS AS OF THE SETTLEMENT DATE.** Further, no assurance can be given that the introduction or enactment of any future legislation will not affect the market price for the Bonds as of the Settlement Date or thereafter or not have a materially adverse impact on any secondary market for the Bonds.

Termination of Purchase Agreement. The Underwriters may terminate the Forward Delivery Agreement by notification to the Commission on or prior to the Settlement Date if any of the events described above in items (a) through (f) under “Settlement Date” occurs. Although the Commission is not aware, as of the date of this Official Statement, of any information that would lead it to believe that it will be unable to satisfy its obligations under the Forward Delivery Agreement on the Settlement Date, no assurances can be made that, as of the Settlement Date: (i) there will have been no Change of Law; (ii) the facts and circumstances that are material to one or more of the required legal opinions will not differ from the facts and circumstances as of the Preliminary Closing Date, or (iii) that all necessary certifications and representations can or will be delivered and made in connection with the proposed issuance and delivery of the Bonds. As a consequence of any of the foregoing, one or more of the foregoing legal opinions may not be rendered or one or more of the Settlement Date conditions in the Forward Delivery Agreement may not be met, with the possible result that the delivery of the Bonds will not occur.

Secondary Market Risk. The Underwriters are not obligated to make a secondary market in the Bonds, and no assurances can be given that a secondary market will exist for the Bonds during the Forward Delivery Period. Purchasers of the Bonds should assume that the Bonds will be illiquid throughout the Forward Delivery Period.

TAX TREATMENT

General

In the opinion of Bond Counsel for the Bonds, based upon an analysis of existing laws, regulations, rulings and court decisions, interest on the Bonds (collectively, the “Federally Tax-Exempt Bonds”) is excludible from gross income for federal income tax purposes and interest on the Federally Tax-Exempt Bonds is not a specific item of tax preference under Section 57 of the Internal Revenue Code of 1986 (the “Code”) for purposes of the federal alternative minimum tax. Bond Counsel for the Bonds is also of the opinion that interest on the Bonds is exempt from income taxation by the Commonwealth and the Bonds are exempt from ad valorem taxation by the Commonwealth and any of its political subdivisions.

A copy of the form of opinion of Bond Counsel for the Bonds is set forth in EXHIBIT F.

Tax Treatment of Federally Tax-Exempt Bonds

The Code imposes various restrictions, conditions, and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Federally Tax-Exempt Bonds. The Commission has covenanted to comply with certain restrictions designed to ensure that interest on the Federally Tax-Exempt Bonds will not be or become includable in gross income for federal income tax purposes. Failure to comply with these covenants could result in interest on the Federally Tax-Exempt Bonds being includable in gross income for federal income tax purposes and such inclusion could be retroactive to the date of issuance of the Federally Tax-Exempt Bonds. The opinion of Bond Counsel assumes compliance with these covenants. However, Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Federally Tax-Exempt Bonds may adversely affect the federal tax status of the interest on the Federally Tax-Exempt Bonds.

Certain requirements and procedures contained or referred to in the Resolution and other relevant documents may be changed and certain actions (including, without limitation, defeasance of the Bonds) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel expresses no opinion as to any Bonds or the interest thereon if any such change occurs or action is taken or omitted upon the advice or approval of bond counsel other than Kutak Rock LLP.

Although Bond Counsel has rendered opinions that interest on the Federally Tax-Exempt Bonds is excludible from gross income for Federal income tax purposes and that interest on the Bonds is excludible from gross income for Kentucky income tax purposes, the ownership or disposition of, or the accrual or receipt of interest on, the Bonds may otherwise affect a Bondholder’s Federal, state or local tax liabilities. The nature and extent of these other tax consequences may depend upon the particular tax status of the Bondholder or the Bondholder’s other items of income or deduction. For example, such effects may include, without limitation, increasing the federal tax liability of certain foreign corporations subject to the branch profits tax imposed by Section 884 of the Code, increasing the federal tax liability of certain insurance companies, under Section 832 of the Code, increasing the federal tax liability and affecting the status of certain S Corporations subject to Sections 1362 and 1375 of the Code, increasing the federal tax liability of certain individual recipients of Social Security or the Railroad Retirement benefits under Section 86 of the Code and limiting the amount of the Earned Income Credit under Section 32 of the Code that might otherwise be available. Ownership of any of the Bonds may also result in the limitation of interest and certain other deductions for financial institutions and certain other taxpayers, pursuant to Section 265 of the Code. Finally, residence of the holder of the Bonds in a state other than Kentucky or being subject to tax in a state other than Kentucky may result in income or other tax liabilities being imposed by such states or their political subdivisions based on the interest or other income from the Bonds. Bond Counsel expresses no opinions regarding any tax consequences other than what is set forth in its opinion and each Bondholder or potential Bondholder is urged to consult with tax counsel with respect to the effects of purchasing, holding or disposing the Bonds on the tax liabilities of the individual or entity.

The Commission has not designated the Bonds as “qualified tax-exempt obligations” under Section 265 of the Code.

Tax Treatment of Original Issue Premium

“Acquisition Premium” is the excess of the cost of a bond over the stated redemption price of such bond at maturity or, for bonds that have one or more earlier call dates, the amount payable at the next earliest call date. The Federally Tax-Exempt Bonds that have an interest rate that is greater than the yield, as shown on the cover page hereto (the “Premium Bonds”) are being initially offered and sold to the public at an Acquisition Premium. For federal income tax purposes, the amount of Acquisition Premium on each Bond the interest on which is excludible from gross income for federal income tax purposes must be amortized and will reduce the Bondholder’s adjusted basis in that Bond. However, no amount of amortized Acquisition Premium on the Bonds may be deducted in determining Bondholder’s taxable income for federal income tax purposes. The amount of any Acquisition Premium paid on the Premium Bonds, or on any of the Bonds, that must be amortized during any period will be based on the “constant yield” method, using the original Bondholder’s basis in such bonds and compounding semiannually. This amount is amortized ratably over that semiannual period on a daily basis.

Holders of any Bonds, including any Premium Bonds, purchased at an Acquisition Premium should consult their own tax advisors as to the actual effect of such Acquisition Premium with respect to their own tax situation and as to the treatment of Acquisition Premium for state tax purposes.

Changes in Federal and State Tax Law

From time-to-time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time-to-time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds or the market value thereof would be impacted thereby. Purchasers of the Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

RISK FACTORS

THE PURCHASE OF THE BONDS IS SUBJECT TO CERTAIN RISKS. EACH PROSPECTIVE INVESTOR IN THE BONDS IS ENCOURAGED TO READ THIS OFFICIAL STATEMENT IN ITS ENTIRETY, INCLUDING ALL EXHIBITS HERETO. PARTICULAR ATTENTION SHOULD BE GIVEN TO THE FACTORS DESCRIBED BELOW, WHICH, AMONG OTHERS, COULD AFFECT THE PAYMENT OF PRINCIPAL OF AND INTEREST ON THE BONDS AND WHICH COULD ALSO AFFECT THE MARKET PRICE OF THE BONDS TO AN EXTENT THAT CANNOT BE DETERMINED.

The following discussion is not meant to be an exhaustive list of the risks and other factors that should be considered in connection with the purchase of the Bonds and does not necessarily reflect the relative importance of the various risks and other factors. The occurrence of any of the following risks could materially and adversely affect the Commission’s financial condition and results of operations. In any such event, the Commission may not be able to pay debt service on the Bonds. In any such event, the market price and/or liquidity for the Bonds could decline and investors could lose all or part of their investment. There can be no assurance that other risk factors will not become material in the future.

Bonds are Special and Limited Obligations

THE BONDS ARE SPECIAL AND LIMITED OBLIGATIONS OF THE COMMISSION. THE BONDS DO NOT CONSTITUTE A DEBT, LIABILITY, OR OBLIGATION OF THE COMMONWEALTH, OR A PLEDGE OF THE FULL FAITH AND CREDIT OR TAXING POWER OF THE COMMONWEALTH, BUT

ARE PAYABLE SOLELY FROM AMOUNTS DEPOSITED IN CERTAIN FUNDS AND ACCOUNTS CREATED BY THE RESPECTIVE RESOLUTIONS AND FROM RENTAL INCOME DERIVED FROM THE BIENNIAL RENEWABLE LEASE WITH THE CABINET AND SUBLEASES (AS DESCRIBED AND DEFINED HEREIN), THE RENT FROM WHICH IS SUBJECT TO APPROPRIATION BY THE GENERAL ASSEMBLY OF THE COMMONWEALTH ON A BIENNIAL BASIS. THE BONDHOLDERS HAVE NO SECURITY INTEREST IN ANY PROPERTIES CONSTITUTING THE PROJECT OR ANY AMOUNTS DERIVED THEREFROM. See “SECURITY FOR THE BONDS” and the cover page of this Official Statement.

Risks Relating to the Commonwealth

Appropriation Risk. See “SECURITY FOR THE BONDS” for information about the security for the Bonds and appropriations for payment of principal of and interest on the Bonds.

General Economic Conditions. The Commonwealth relies on tax revenues and fees as the primary source of funds to operate state government and to pay its obligations. Regional and national economic shocks can disrupt the state economy and can have material adverse effects on the Commonwealth’s revenues, and its ability to pay its obligations including the Bonds. Such disruptions, including commodity shocks, sudden business cycle changes, weather-related disruptions, abrupt changes in consumer confidence, and national geo-political crises are outside of the control of the Commission and the Commonwealth. See “THE COMMONWEALTH - Financial Information Regarding the Commonwealth” below.

Changes in State Government. See “INTRODUCTION” and “SUMMARIES OF THE PRINCIPAL DOCUMENTS – The Lease and the Subleases” for information about the required biennial budget requests for the Cabinet.

Forward-Looking Statements. Certain disclosures in this Official Statement are “forward-looking statements.” Forward-looking statements include all statements that do not relate solely to historical or current fact, and can be identified by the use of words like “may,” “believe,” “will,” “expect,” “project,” “estimate,” “anticipate,” “plan,” or “continue.” These forward-looking statements are based on the current plans and expectations of the Commonwealth and are subject to a number of known and unknown uncertainties and risks, many of which are beyond its control, that could significantly affect current plans and expectations and the Commonwealth’s future financial position including but not limited to changes in general economic conditions, demographic trends and federal programs which may affect transfer of funds from the federal government to the Commonwealth. As a consequence, current plans, anticipated actions and future financial positions may differ from those expressed in any forward-looking statements made by the Commonwealth herein. Investors are cautioned not to unduly rely on such forward-looking statements when evaluating the information presented in this Official Statement.

State Retirement Systems. See “THE COMMONWEALTH—State Retirement Systems” for information about the Commonwealth’s retirement system, including pension plans and other post-employment benefits.

Risks Relating to the Bonds

Ratings of Bonds. See “RATINGS” for information about the ratings assigned by rating agencies.

Market Liquidity. The Bonds constitute a new issue with an established trading market. Although the Underwriters have informed the Issuer and the Borrower that the Underwriters currently intend to make a market for the Bonds, the Underwriters are not obligated to do so, and they may discontinue any such market-making at any time without prior notice. No assurance can be given as to the development or liquidity of any market for the Bonds. If an active public market is not maintained, the market price and liquidity of the Bonds may be adversely affected.

Enforcement of Remedies. The enforcement of the remedies under the Bond Resolution may be limited or restricted by federal or state laws or by the application of judicial discretion, and may be delayed in the event of litigation to enforce the remedies. State laws concerning the use of funds of governmental entities and federal and state laws relating to bankruptcy, fraudulent conveyances, and rights of creditors may affect the enforcement of

remedies. Similarly, the application of general principles of equity and the exercise of judicial discretion may preclude or delay the enforcement of certain remedies. The legal opinions to be delivered with the issuance of the Bonds will be qualified as they relate to the enforceability of the various legal instruments by reference to the limitations on enforceability of those instruments under applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting the enforcement of creditors' rights, and under general principles of equity.

Risks Relating to Tax Matters

See "TAX TREATMENT" for information about the exclusion from gross income for Federal income tax purposes of interest on obligations such as the Bonds and related matters.

Risks Relating to COVID-19

On March 6, 2020, Governor Andy Beshear issued an Executive Order declaring a State of Emergency in Kentucky to provide an immediate response to the novel coronavirus (COVID-19) emergency in the Commonwealth. On March 11, 2020, the Governor recommended social distancing for everyone, advised that all community gatherings should be cancelled or postponed and encouraged all businesses to allow employees to work from home if possible. And on March 25, 2020, the Healthy at Home initiative was issued under a Gubernatorial Executive Order to protect the health and safety of Kentuckians and mitigate the spread of COVID-19, effective during the duration of the State of Emergency or until rescinded (the "Healthy at Home Order"). The Healthy at Home Order directs that only Life-Sustaining Businesses may remain open and encourages all Kentuckians stay Healthy at Home except in extremely limited circumstances. Individuals are encouraged to only leave their residence to seek medical attention, work, care for family or household members, obtain goods and services like groceries and prescriptions, and engage in outdoor activity with strict social distancing requirements. To further protect the health and safety of the citizens, travel restrictions were implemented by an April 2, 2020 Executive Order instructing Kentucky residents not to travel into any other state and residents of any state other than the Commonwealth of Kentucky may not travel into Kentucky with limited circumstance exceptions for both.

The Commission expects additional actions will be taken by Commonwealth, federal and local governments and private entities to mitigate the spread of and impacts of COVID-19. For example, service sector workers and others who cannot telework may see reduced hours or layoffs due to reduced business demand, and supply shortages may increase. Depending on the length and breadth of the impact of COVID-19, the effect on the economy of the Commonwealth may be significant. The long-term and short-term capital markets have experienced significant deterioration in value and volatility, which can affect the liquidity and results of operations of companies in the Commonwealth, the Commonwealth's economy as a whole and could materially affect the levels of the Commonwealth's revenues for the current and future fiscal years.

The duration and extent of the impact of COVID-19 on the Commonwealth's revenues, expenses and cashflow are uncertain and cannot be quantified with any degree of certainty at this time. For the current fiscal year, the Stay at Home Order will likely result in a negative revenue impact forcing budget reductions of a yet unknown magnitude. The Governor has extended the due date for certain Kentucky tax payments to July 15 from the normal April 15 date. Any income tax payment due April 15 may now be submitted on or before July 15 without penalty. Likewise, for the upcoming biennium, the duration and extent of the impact of COVID-19 make any predictions uncertain. In anticipation of a potential significant reduction in general fund revenues and cash balances, the Kentucky General Assembly adopted for the first time in history a one-year budget for the Commonwealth in lieu of the traditional two-year biennial budget.

Furthermore, the Commonwealth anticipates that it will incur significant additional expenditures not currently budgeted to address the COVID-19 pandemic. The potential magnitude of such expenditures is not known. However, the Commonwealth anticipates using, to the fullest extent possible, the funds that it receives (currently estimated at approximately \$1.5 billion) from the recently approved federal relief packages to offset direct costs that the Commonwealth will incur in connection with the COVID-19 pandemic and related losses.

The financial and operating data contained herein are as of the dates and for the periods indicated, which were prior to the COVID-19 outbreak. Such financial and operating data have not been updated to reflect any potential impacts of the COVID-19 outbreak on the Commonwealth's general economic and financial condition.

UNDERWRITING

Citigroup Global Markets Inc., as representative of the Underwriters, has agreed to purchase the Bonds for an aggregate purchase price of \$69,783,146.51 (which is equal to the principal amount of the Bonds, plus a net original issue premium of \$3,339,502.60, less an underwriting discount of \$266,356.09).

The Underwriters intend to make an initial public offering of all of the Bonds at not in excess of the public offering price or prices set forth on the cover page hereof. The Underwriters may offer and sell the Bonds to certain dealers (including dealers depositing Bonds into investment trusts) at prices lower than the public offering price or prices stated on the cover page hereof.

The Underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and brokerage activities. Certain of the Underwriters and their respective affiliates have, from time to time, performed, and may in the future perform, various investment banking services for the Commission for which they received or will receive customary fees and expenses.

In the ordinary course of their various business activities, the Underwriters and their respective affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (which may include bank loans and/or credit default swaps) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments. Such investment and securities activities may involve securities and instruments of the Commission.

Citigroup Global Markets Inc., an Underwriter of the Bonds, has entered into a retail distribution agreement with Fidelity Capital Markets, a division of National Financial Services LLC (together with its affiliates, “Fidelity”). Under this distribution agreement, Citigroup Global Markets Inc. may distribute municipal securities to retail investors at the original issue price through Fidelity. As part of this arrangement, Citigroup Global Markets Inc. will compensate Fidelity for its selling efforts with respect to the Bonds.

Morgan Stanley Wealth Management. Morgan Stanley & Co. LLC, an underwriter of the Bonds, has entered into a retail distribution arrangement with its affiliate Morgan Stanley Smith Barney LLC. As part of the distribution arrangement, Morgan Stanley & Co. LLC may distribute municipal securities to retail investors through the financial advisor network of Morgan Stanley Smith Barney LLC. As part of this arrangement, Morgan Stanley & Co. LLC may compensate Morgan Stanley Smith Barney LLC for its selling efforts with respect to the Bonds.

PNC Capital Markets LLC (“PNCCM”), an underwriter for the Bonds, may offer to sell to its affiliate, PNC Investments, LLC (“PNCI”), securities in PNCCM’s inventory for resale to PNCI’s customers, including securities such as those to be offered by the Commission. PNCCM may share with PNCI a portion of the fee or commission paid to PNCCM if any of the Bonds are sold to customers of PNCI.

FTN Financial Capital Markets (“FTN Financial”), an underwriter of the Bonds, anticipates in late October 2019 it will be changing its name from FTN Financial to *FHN Financial*, pending regulatory approval. The name change is being made in connection with the overall rebranding by its parent company, First Horizon National Corporation (NYSE: FHN), to align the branding of all of its divisions and subsidiaries around the First Horizon name. When the change occurs, FTN Financial’s legal name will become “FHN Financial Capital Markets, a division of First Horizon Bank.”

CONTINUING DISCLOSURE

The Commission will comply with the requirements of the Securities and Exchange Commission regarding secondary market disclosure as set forth in Rule 15c2-12 (the “Rule”), as amended, under the Securities Exchange Act of 1934. Specifically, the Commission entered into a Continuing Disclosure Agreement (the “Continuing Disclosure Agreement”), a form of which is attached as EXHIBIT G, in which it covenanted to provide notice in a

timely manner, not later than ten business days after the event, to the Municipal Securities Rulemaking Board (the “MSRB”), and the appropriate state information depository, if any, of any of the types of events with respect to the Bonds set forth in the form attached hereto. Effective on July 1, 2009, the MSRB became the sole nationally recognized municipal securities information repository and the Commission’s filings with the MSRB will be in accordance with the MSRB’s Electronic Municipal Market Access (EMMA) system, as applicable to the Continuing Disclosure Agreement. In addition, ongoing financial disclosure regarding the Commonwealth will be available through the filing, within nine (9) months of the end of the fiscal year, commencing with the fiscal year ending June 30, 2018, by the Commonwealth of two documents entitled The Kentucky Comprehensive Annual Financial Report and Supplementary Information to the Kentucky Comprehensive Annual Financial Report (or successor reports) with EMMA as required under Rule 15c2-12 and in accordance with the Continuing Disclosure Agreement.

The Commonwealth is providing, and for the five (5) years preceding the date of issuance of the Bonds has provided, ongoing market disclosure as required by Rule 15c2-12 pursuant to agreements entered into in connection with other outstanding securities, including timely notices of changes in the Commission’s underlying ratings affecting its outstanding securities with the exceptions noted below (which information below is presented irrespective of materiality).

The Commonwealth and the Commission learned that in some instances prior rating changes on certain securities issued by the Commonwealth and certain of its agencies, including the Commission, resulting from rating downgrades, rating upgrades, and a rating withdraw on certain bond insurers, were not the subject of material event notices, due, in part, to the lack of any direct notification to the Commonwealth of the specific rating impact on such particular securities of the Commonwealth and certain of its agencies. On April 3, 2019, the Commission posted on EMMA Notices of Material Events, Notice of Rating Downgrade, Notice of Rating Withdraw, Notice of Rating Upgrade and Late Filings regarding the matters described above and listing the affected securities.

The Commonwealth and the Commission learned that in some instances prior Notices of Material Events posted to EMMA failed to include all affected CUSIPS regarding rating changes on certain securities issued by the Commonwealth and certain of its agencies, including the Commission. On May 9, 2018, on April 3, 2019, and on April 21, 2020 the Commission filed Notices of Material Event, Notices of Rating Downgrades and Late Filings on EMMA regarding the matter described in the previous sentence and listing the affected securities.

The Commonwealth and the Commission learned that its Comprehensive Annual Financial Report posted to EMMA for the fiscal year ended June 30, 2019 failed to include all affected CUSIPs on certain securities issued by the Commission. On April 21, 2020 the Commission filed a Notice of Late Filing on EMMA regarding the matter described in the previous sentence and listing the affected securities.

The Commonwealth and the Commission have taken necessary actions to assure compliance with Rule 15c2-12 with respect to such events. Additionally, the Commonwealth and the Commission have put procedures in place to assure that future material event notices would be timely filed with respect to such events.

DEBT INFORMATION PERTAINING TO THE COMMONWEALTH OF KENTUCKY

COMMONWEALTH DEBT MANAGEMENT

Management

The Office of Financial Management (“OFM”), Finance and Administration Cabinet, has central responsibility for the issuance, management, review and approval of all debt issued by the Commonwealth and its agencies. Table I lists active issuing entities. OFM is also responsible for the coordination and monitoring of cash needs relative to debt activity, debt service payments and the development of a comprehensive long-term debt plan. OFM serves as primary staff to the Commission, the Kentucky Asset/Liability Commission, the Turnpike Authority of Kentucky, the Kentucky Local Correctional Facilities Construction Authority, and the State Investment Commission.

Structure

The Commonwealth’s indebtedness is classified as either appropriation supported debt or non-appropriation supported debt.

Appropriation supported debt carries the name of the Commonwealth and is either (i) a general obligation of the Commonwealth, or (ii) a lease revenue obligation of one of its debt issuing agencies created by the General Assembly to finance various projects which is subject to state appropriation for all or a portion of the debt service on the bonds.

General obligation bonds pledge the full faith, credit and taxing power of the Commonwealth for the repayment of the debt. The Kentucky Constitution requires voter approval by general referendum prior to the issuance of general obligation bonds in amounts exceeding \$500,000. Kentucky has not issued general obligation bonds since 1966. The Commonwealth has no general obligation bonds outstanding.

Project revenue notes and bonds are issued by various debt issuing authorities of the Commonwealth. The revenues produced by the projects funded by the debt are pledged as security for repayment of the debt. Project revenue debt is not a direct obligation of the Commonwealth. Project revenues are, in some cases, derived partially or solely from biennial appropriations of the General Assembly. In other cases, the direct revenues generated from the project funded constitute the entire source of payment.

The payment of debt service by the state universities is enhanced by a state intercept provision that provides that in the event of a default, the Secretary of the Finance Cabinet is required to intercept any funds appropriated to the University but not yet disbursed and to remit those funds to the Trustee to remedy the default.

Non-appropriation or moral obligation debt carries the name of the Commonwealth for the benefit and convenience of other entities within the state. This type of indebtedness is a special obligation of the issuer, secured and payable solely from the sources pledged for the payment thereof and does not constitute a debt, liability, obligation or a pledge of the faith and credit of the Commonwealth. The General Assembly does not intend to appropriate any funds to fulfill the financial obligations represented by these types of indebtedness. Some issuers covenant that in the event of a shortfall the issuer will request from the Governor and the General Assembly sufficient amounts to pay debt service. Certain Kentucky Higher Education Student Loan Corporation bonds, Kentucky Housing Corporation Multi-Family conduit bonds, Kentucky Infrastructure Authority Governmental Agencies Program bonds, and Kentucky Infrastructure Authority Wastewater and Drinking Water Revolving Fund Revenue bonds are not moral obligation debt.

Default Record

The Commonwealth has never defaulted in the payment of principal or interest on its general obligation indebtedness or its project revenue obligations.

PROJECTS FOR THE BENEFIT OF THE COMMONWEALTH OF KENTUCKY FINANCED UNDER PUBLIC PRIVATE PARTNERSHIPS

Overview

Due to varying factors, including but not limited to, political hurdles, fiscal environment challenges, project complexities, and the sheer size of need between varying sectors, the nation has been faced with the challenge to update fundamental, yet aging, infrastructure nationwide. For these reasons, state and local governments, including the Commonwealth, are driven to explore alternative means for procurement and delivery of such projects. This exploration has resulted in the Public-Private Partnership (“P3”) structures being utilized on specific projects, as a viable method versus traditional public sector financing to design, build and operate required infrastructure projects in aspects of risk sharing, innovation and value to the taxpayer.

The Commonwealth of Kentucky has financed three capital construction projects through the P3 structure. In 2015, the Commonwealth of Kentucky State Office Building project was financed through the issuance of \$68,757,000 tax-exempt Certificates of Participation (“COPs”). In 2015, the Next Generation-Kentucky Information Highway project was funded from proceeds of a conduit issue of \$231,950,000 of tax-exempt senior bonds, \$57,996,000 of taxable senior bonds and \$15,229,000 of subordinate bonds via the Kentucky Economic Development Finance Authority. In 2018, the Commonwealth of Kentucky State Office Building project was financed through the issuance of \$107,260,000 tax-exempt COPs and \$3,415,000 taxable COPs.

For a brief summary of P3 projects undertaken by the Commonwealth, please see “Table I, Active Public Private Partnerships,” or read each project’s description below.

Commonwealth P3 Projects

2015 Commonwealth of Kentucky State Office Building project – 300 Building. The Certificates of Participation, Series 2015 (Commonwealth of Kentucky State Office Building project) closed on April 29, 2015. The proceeds of the Series 2015 Certificates provided funds to construct, install, and equip an office building consisting of approximately 371,160 square feet in Frankfort, Kentucky. The office building accommodates 1,400 workers. Construction commenced in March 2015 and the project achieved substantial completion and final completion on April 1 and May 15, 2016, respectively.

Under a “Design/Build/Finance/Operate/Maintain” structure, the Commonwealth’s Department of Facilities Management issued a request for proposals for construction of the office building. The Commonwealth transferred state-owned property at 300 Sower Boulevard, Frankfort, Kentucky to the winning proposer, CRM/D.W. Wilburn, a single-purpose Kentucky limited liability company comprised of a contract developer and contractor, and executed both a management contract and facilities lease (i.e. lease to purchase) agreement. Under the management contract, the building will be managed by the developer upon completion of the project. Additionally, the lease allows the Commonwealth to use and occupy the building subject to proper management and the payment of periodic lease payments, which consists of base rent and additional rent. The Commonwealth maintains an option to purchase the entire project on any date on or after the commencement of the lease, otherwise the project will be conveyed back to the Commonwealth at the end of the lease term.

The Series 2015 COPs are payable solely from the revenues to be derived from the rental payments of the Finance and Administration Cabinet under the lease.

The complete Official Statement for the Commonwealth State Office Building project may be obtained from the NRMSIR and can be found on the Internet at:

<http://emma.msrb.org/ER1080545.pdf>

2015 Next Generation Kentucky Information Highway project. The Next Generation Kentucky Information Highway System (the “System”) is a statewide network for internet access consisting of electronic equipment, fiber cable, outside plant installations, building facilities, interface equipment, network services and customer services that is designated to upgrade the services available to its core users, as well as develop a state-wide middle-mile network with excess capacity that can deliver reliable, high-speed internet connectivity throughout Kentucky to stimulate economic activity. The Kentucky Communications Network Authority (“KCNA”) and its Board manage and oversee the System.

The System is being developed through a “Design Build/Finance Operate/Maintain” public/private partnership structure. The Commonwealth and the System developer (the “System Developer”) entered into a project implementation agreement, pursuant to which the Commonwealth granted the System Developer an exclusive right to design, construct, operate and maintain the System in return for payments by the Commonwealth in the form of a milestone payment, a designated equipment payment and availability payments. The Kentucky Economic Development Finance Authority issued Senior Revenue Bonds (Next Generation Kentucky Information Highway Project) on September 3, 2015, the proceeds of which were loaned to a non-profit corporation (the “Borrower”) for the purpose of paying a portion of the costs of the design, development and construction of the System (the “Project”).

The Borrower’s primary source of revenue to repay the loan is the receipt of availability payments and in certain circumstances a termination payment, to be made by the Commonwealth to the Borrower under a project agreement. All availability payments (or termination payment) to be made by the Commonwealth are subject to appropriation by the General Assembly.

The design-builder included a detailed Project Schedule and Schedule Update in its *Next Generation Kentucky Information Highway Project EMMA Report* for the February 2020 reporting period. On December 14, 2018, the different Project parties entered into a Settlement Agreement resolving 207 Supervening Events. The terms of the settlement have been incorporated into an Amended and Restated Project Agreement with an effective date of March 13, 2019. The Authority has agreed to pay a total of \$93,000,000 for Project completion costs and for costs resulting from Supervening Events. The new Settlement Schedule has a Target System Completion Date of October 29, 2020, which represents approximately 15 months of delay from the original completion or “Longstop Date” of July 31, 2019. As a result of the Amended and Restated Project Agreement, the Project Longstop Date is October 29, 2021. Completing the Project by the Target System Completion Date is achievable, but risks of delays in the project exist. Construction on the project is approximately 86 percent complete overall.

Senate Bill 200, adopted in the 2018 Regular Session of the Kentucky General Assembly, authorized funding for availability payments from the General Fund in the amount of \$33,387,400 for Fiscal Year 2019 and \$34,268,300 for Fiscal Year 2020.

Senate Bill 200 also authorized up to one hundred ten million dollars (\$110,000,000) for payment of the Settlement Amount and certain project costs. The financing was completed on August 6, 2019.

The complete Official Statement and filings for the Next Generation Kentucky Information Highway project may be obtained from the NRMSIR and can be found on the Internet at:

2018 Commonwealth of Kentucky State Office Building project – Mayo-Underwood Building. The Certificates of Participation, Series 2018A and Taxable Series 2018B (Commonwealth of Kentucky State Office Building project) closed on February 22, 2018. The proceeds of the Series 2018A and Taxable Series 2018B Certificates provide funds to finance the demolition and renovation of an existing downtown Frankfort commercial property known as Capital Plaza and to construct, install and equip a new office building consisting of approximately 385,022 square feet, together with an approximately 1,086 space parking garage and approximately 112 space surface parking facility. The office building is designed to comfortably accommodate 1,500 Commonwealth employees. Site work commenced in December 2017 and achieved substantial completion on February 27, 2020.

Under a “Design/Build/Finance/Operate/Maintain” structure, the Commonwealth’s Department of Facilities Management issued a request for proposals for construction of a new office building with supporting infrastructure and demolition of Capital Plaza structures. The Commonwealth transferred state-owned property in downtown Frankfort, Kentucky to the winning proposer, CRM/D.W. Wilburn #2, LLC, a Kentucky limited liability company comprised of a contract developer and contractor, and executed both a management contract and facilities lease agreement. Under the management contract, the building will be managed by the developer upon completion of the project. Additionally, the lease allows the Commonwealth to use and occupy the building subject to proper management and the payment of periodic lease payments, which consist of base rent and additional rent. The Commonwealth maintains an option to purchase the entire project on any date on or after the commencement of the lease, otherwise the project will be conveyed back to the Commonwealth at the end of the lease term.

The Series 2018A and Taxable Series 2018B COPs are payable solely from the revenues to be derived from the rental payments of the Finance and Administration Cabinet under the lease and are additionally secured by a regular capitalized interest account and a special capitalized interest account.

A naming ceremony was held on August 13, 2019 to honor the Mayo-Underwood School that served African American students during a time when public schools were segregated. The Mayo-Underwood Building is situated at the corner of Mero Street and Wilkinson Blvd, where the school stood for more than 40 years.

BOOK-ENTRY-ONLY SYSTEM

The Bonds initially will be issued solely in book-entry form to be held in the book-entry-only system maintained by The Depository Trust Company (“DTC”), New York, New York. So long as such book-entry-only system is used, only DTC will receive or have the right to receive physical delivery of Bonds and, except as otherwise provided herein with respect to tenders by Beneficial Owners (as hereinafter defined) of beneficial ownership interests, Beneficial Owners will not be or be considered to be, and will not have any rights as, owners or holders of the Bonds under the Resolution.

The following information about the book-entry-only system applicable to the Bonds has been supplied by DTC. Neither the Commission nor the Trustee makes any representations, warranties or guarantees with respect to its accuracy or completeness.

DTC will act as securities depository for the Bonds. The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, in the aggregate principal amount of the Bonds and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s highest rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry-only system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Commission as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Commission or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with bonds held for the accounts of customers in bearer form or registered in "street name" and will be the responsibility of such Participant and not of DTC, the Trustee or the Commission, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Commission or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Commission or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Commission may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered.

NEITHER THE COMMISSION NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OR ANY OTHER PERSON NOT SHOWN ON THE REGISTRATION BOOKS OF THE TRUSTEE AS BEING A HOLDER WITH RESPECT TO: (1) THE BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (3) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE BONDS; (4) THE DELIVERY BY ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO HOLDERS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS HOLDER.

Each Beneficial Owner for whom a Direct Participant or Indirect Participant acquires an interest in the Bonds, as nominee, may desire to make arrangements with such Direct Participant or Indirect Participant to receive a credit balance in the records of such Direct Participant or Indirect Participant, to have all notices of redemption or other communications to or by DTC which may affect such Beneficial Owner forwarded in writing by such Direct Participant or Indirect Participant, and to have notification made of all debt service payments.

Beneficial Owners may be charged a sum sufficient to cover any tax, fee, or other governmental charge that may be imposed in relation to any transfer or exchange of their interests in the Bonds.

The Commission cannot and does not give any assurances that DTC, Direct Participants, Indirect Participants or others will distribute payments of debt service on the Bonds made to DTC or its nominee as the registered owner, or any redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or that DTC, Direct Participants or Indirect Participants will serve and act in the manner described in this Official Statement.

The information in this EXHIBIT E concerning DTC and DTC's book-entry-only system has been obtained from sources that the Commission believes to be reliable, but neither the Commission nor the Underwriters take any responsibility for the accuracy thereof.

**FORM OF BOND COUNSEL OPINION FOR THE
BONDS**

_____, 2020

Commonwealth of Kentucky
State Property and Buildings Commission
Frankfort, KY 40601

U.S. Bank National Association
Louisville, Kentucky

\$[_____]
State Property and Buildings Commission of
the Commonwealth of Kentucky
Revenue Refunding Bonds, Project No. 122 Series C (Forward Delivery)

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance and sale by the State Property and Buildings Commission of the Commonwealth of Kentucky (the "Commission") of \$[_____] aggregate principal amount of Revenue Refunding Bonds, Project No. 122 Series C (Forward Delivery) (the "Bonds"). The Bonds are issuable as fully registered Bonds without coupons dated as of their date of delivery in denominations of \$5,000 or any integral multiple thereof, bearing interest payable semiannually on May 1 and November 1 of each year commencing on November 1, 2020. The Bonds are subject to redemption at the option of the Commission as set forth in the Bond Resolution (as defined below). The Bonds are not subject to optional redemption prior to maturity.

The Bonds are being issued by the Commission, pursuant to Chapter 56 and Sections 58.010 to 58.140, inclusive, of the Kentucky Revised Statutes, as supplemented and amended (the "Act"), and a resolution adopted by the Commission on September 10, 2019 (the "Bond Resolution") for the purpose of providing funds to (a) to refund the Prior Bonds, or portions thereof, as described in the Bond Resolution, and (b) to pay the costs of issuing the Bonds.

The Commission has covenanted in the Bond Resolution to at all times do and perform all acts and things permitted by law and necessary or desirable to assure that the interest on the Bonds shall, for purposes of federal income taxation, be excludable from the gross income of the recipient.

We have examined the laws of the Commonwealth of Kentucky, the Act, the Budget Act, a certified copy of the Bond Resolution, an executed counterpart of the Lease (as defined in the Bond Resolution), an executed counterpart of the Tax Exemption Certificate and Agreement dated October 30, 2019 between the Commission and the Finance and Administration Cabinet of the Commonwealth of Kentucky (the "Cabinet"), certified copies of proceedings of the Commission authorizing the issuance of the Bonds, a copy of an executed bond of the Bonds and such other documents, records, certificates and opinions as we have deemed relevant and necessary in rendering this opinion.

From such examination, we are of the opinion that:

1. The Bonds have been authorized and issued in accordance with the laws of the Commonwealth of Kentucky and constitute valid and legally binding obligations of the Commission, payable as to principal and interest solely from the payments to be made by the Cabinet pursuant to the Lease, which payments are subject to biennial appropriation by the General Assembly of the Commonwealth of Kentucky.

2. The Bond Resolution has been duly adopted by the Commission, and constitutes a valid and binding obligation of the Commission, enforceable against the Commission in accordance with its terms.

3. The Lease has been duly authorized, executed and delivered by the Commission and by the Cabinet, and represents a valid and binding agreement of the Commission and the Cabinet, enforceable in accordance with its terms.

4. Assuming compliance by the Commission and the Cabinet with certain covenants, existing laws, regulations, rulings and judicial decisions, interest on the Bonds (including any original issue discount properly allocable to the owners thereof) is excluded from gross income for federal income tax purposes and is not a special preference item for purposes of the federal alternative minimum tax.

5. The accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences. Purchasers of the Bonds, particularly purchasers that are corporations (including S corporations and foreign corporations operating branches in the United States), property or casualty insurance companies, banks, thrifts, or other financial institutions, certain recipients of Social Security or Railroad Retirement benefits, taxpayers otherwise entitled to claim the earned income credit, or taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax exempt obligations are advised to consult their tax advisors as to the tax consequences of purchasing or holding the Bonds.

6. Under the existing laws of the Commonwealth of Kentucky, interest on the Bonds is excluded from the gross income of the recipients thereof for Kentucky income tax purposes and the Bonds are exempt from ad valorem taxation by the Commonwealth of Kentucky and all political subdivisions and taxing authorities thereof.

The obligations of the Commission and the Cabinet, and the enforceability thereof, with respect to the Bonds and the other documents described above are subject, in part, to the provisions of the bankruptcy laws of the United States of America and to other applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights generally, now or hereafter in effect. Certain of such obligations, and enforcement thereof, are also subject to general equity principles, which may limit the specific enforcement of certain remedies but which do not affect the validity of such documents.

This opinion is based upon existing law as of the date of issuance and delivery of the Bonds and we express no opinion as of any date subsequent thereto. We express no opinion as to the title to, or the sufficiency in the Bond Resolution or otherwise of the description of, the Project, or the priority of any liens, charges or encumbrances on the Project.

Very truly yours,

TERMINATION, AMENDMENT AND ENFORCEMENT

SECTION 3.1. Termination. (a) The Issuer's obligations under this Agreement shall terminate upon a legal defeasance pursuant to Section 10.03 of the Resolution, prior redemption or payment in full of all of the Bonds.

(b) This Agreement, or any provision hereof, shall be null and void in the event that the Issuer (i) delivers to the Trustee and the MSRB an opinion of Frost Brown Todd LLC or nationally recognized bond counsel or other counsel expert in federal securities laws selected by the Issuer, addressed to the Issuer and Trustee, to the effect that those portions of the Rule which require the provisions of this Agreement, or any of such provisions, do not or no longer apply to the Bonds, whether because such portions of the Rule are invalid, have been repealed, or otherwise, as shall be specified in such opinion.

SECTION 3.2. Amendment. (a) This Agreement may be amended, by written agreement of the parties, without the consent of the Holders of the Bonds, (except to the extent required under clause (4)(ii) below), if all of the following conditions are satisfied; (1) such amendment is made in connection with a change in circumstances

that arises from a change in legal (including regulatory) requirements, a change in law (including rules or regulations) or in interpretations thereof, or a change in the identity, nature or status of the Issuer or the type of business conducted thereby, (2) this Agreement as so amended would have complied with the requirements of the Rule as of the date of this Agreement, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, (3) the Issuer shall have delivered to the Trustee an opinion of Frost Brown Todd LLC or nationally recognized bond counsel or other counsel expert in federal securities laws selected by the Issuer, addressed to the Issuer and the Trustee, to the same effect as set forth in clause (2) above and, (4) either (i) the Issuer shall have delivered to the Trustee an opinion of Kutak Rock LLP or other nationally recognized bond counsel or counsel expert in federal securities laws selected by the Issuer, addressed to the Issuer and the Trustee, to the effect that the amendment does not materially impair the interests of the beneficial owners of the Bonds, or (ii) the Holders of 100 percent of the principal amount of the Bonds consent to the amendment to this Agreement pursuant to the same procedures as are required for amendments to the Resolution with consent of Holders of Bonds pursuant to Section 10.02 of the Resolution as in effect on the date of this Agreement, and (5) the Issuer shall have delivered copies of such opinion and amendment to the MSRB. The Trustee shall not be required to sign any amendment to this Agreement which adversely affects its rights or duties hereunder.

(b) To the extent any amendment to this Agreement results in a change in the type of financial information or operating data provided pursuant to this Agreement, the first Annual Financial Information provided thereafter shall include a narrative explanation of the reasons for the amendment and the impact of the change.

(c) If an amendment is made to the basis on which financial statements are prepared, the Annual Financial Information for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. Such comparison shall include a quantitative and, to the extent reasonably feasible, qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information.

SECTION 3.3. Benefit; Third-Party Beneficiaries; Enforcement. (a) The provisions of this Agreement shall inure solely to the benefit of the Holders from time to time of the Bonds, except that beneficial owners of Bonds shall be third-party beneficiaries of this Agreement.

(b) Except as provided in this subsection (b), the provisions of this Agreement shall create no rights in any person or entity. The obligations of the Issuer to comply with the provisions of this Agreement shall be enforceable (i) in the case of enforcement of obligations to provide financial statements, financial information, operating data and notices, by any Holder of Outstanding Bonds, or by the Trustee on behalf of the Holders of Outstanding Bonds, or (ii), in the case of challenges to the adequacy of the financial statements, financial information and operating data so provided, by the Trustee on behalf of the Holders of Outstanding Bonds, provided, however, that the Trustee shall not be required to take any enforcement action under this subsection (b) except at the written direction of the Holders of not less than twenty-five percent in aggregate principal amount of the Bonds at the time Outstanding who shall have provided the Trustee with adequate security and indemnity reasonably satisfactory to it. The Holders' and Trustee's rights to enforce the provisions of this Agreement shall be limited solely to a right, by action in mandamus or for specific performance, to compel performance of the Issuer's obligations under this Agreement. In consideration of the third-party beneficiary status of beneficial owners of Bonds pursuant to subsection (a) of this Section, beneficial owners shall be deemed to be Holders of Bonds for purposes of this subsection (b) unless and until the respective Holder exercises any rights pursuant to this subsection (b).

(c) Any failure by the Issuer to perform in accordance with this Agreement shall not constitute a default or an Event of Default under the Resolution, and the rights and remedies provided by the Resolution upon the occurrence of a default or an Event of Default shall not apply to any such failure.

(d) This Agreement shall be construed and interpreted in accordance with the laws of the Commonwealth, and any suits and actions arising out of this Agreement shall be instituted in a court of competent jurisdiction in the Commonwealth.

MSRB PROCEDURES FOR SUBMISSION OF CONTINUING DISCLOSURE DOCUMENTS AND RELATED INFORMATION

Securities and Exchange Commission Release No. 34-59061 (the "Release") approves an MSRB rule change establishing a continuing disclosure service of the MSRB's Electronic Municipal Market Access system ("EMMA"). The rule change establishes, as a component of EMMA, the continuing disclosure service for the receipt of, and for making available to the public, continuing disclosure documents and related information to be submitted by issuers, obligated persons and their agents pursuant to continuing disclosure undertakings entered into consistent with Rule 15c2-12 ("Rule 15c2-12") under the Securities Exchange Act of 1934. The following discussion summarizes procedures for filing continuing disclosure documents and related information with the MSRB as described in the Release.

All continuing disclosure documents and related information are to be submitted to the MSRB, free of charge, through an Internet-based electronic submitter interface or electronic computer-to-computer data connection, at the election of the submitter. The submitter is to provide, at the time of submission, information necessary to accurately identify: (i) the category of information being provided; (ii) the period covered by any annual financial information, financial statements or other financial information or operating data; (iii) the issues or specific securities to which such document is related or otherwise material (including CUSIP number, issuer name, state, issue description/securities name, dated date, maturity date, and/or coupon rate); (iv) the name of any obligated person other than the issuer; (v) the name and date of the document; and (vi) contact information for the submitter.

Submissions to the MSRB are to be made as portable document format (PDF) files configured to permit documents to be saved, viewed, printed and retransmitted by electronic means. If the submitted file is a reproduction of the original document, the submitted file must maintain the graphical and textual integrity of the original document. In addition, such PDF files must be word-searchable (that is, allowing the user to search for specific terms used within the document through a search or find function), provided that diagrams, images and other non-textual elements will not be required to be word-searchable.

All submissions to the MSRB's continuing disclosure service are to be made through password protected accounts on EMMA by (i) issuers, which may submit any documents with respect to their municipal securities; (ii) obligated persons, which may submit any documents with respect to any municipal securities for which they are obligated; and (iii) agents, designated by issuers and obligated persons to submit documents and information on their behalf. Such designated agents are required to register to obtain password-protected accounts on EMMA in order to make submissions on behalf of the designating issuers or obligating persons. Any party identified in a continuing disclosure undertaking as a dissemination agent or other party responsible for disseminating continuing disclosure documents on behalf of an issuer or obligated person will be permitted to act as a designated agent for such issuer or obligated person, without a designation being made by the issuer or obligated person as described above, if such party certifies through the EMMA on-line account management utility that it is authorized to disseminate continuing disclosure documents on behalf of the issuer or obligated person under the continuing disclosure undertaking. The issuer or obligated person, through the EMMA on-line account management utility, is able to revoke the authority of such party to act as a designated agent.

The MSRB's Internet-based electronic submitter interface (EMMA Dataport) is at www.emma.msrb.org.

Ladies and Gentlemen:

The undersigned (the “Purchaser”) hereby agrees to purchase from Citigroup Global Markets Inc. (the “Representative”), as representative of itself and the Underwriters set forth in the Forward Delivery Bond Purchase Agreement (defined below) (with the Representative, the “Underwriters”) when, as, and if issued and delivered to the Underwriters by the State Property and Buildings Commission of the Commonwealth of Kentucky (the “Commission”), and the Representative agrees to sell to the Purchaser:

<u>Par Amount</u>	<u>Maturity Date</u>	<u>Interest Rate</u>	<u>CUSIP Number</u>	<u>Yield</u>	<u>Price</u>
\$66,710,000.00	November 1, 2021	5.000%	49151FE22	1.590%	105.006

of the above-referenced Series C Bonds (the “Purchased Obligations”) offered by the Commission under the Preliminary Official Statement dated September 27, 2019 and the Official Statement relating to the Purchased Obligations dated October 8, 2019 (the “Official Statement”), at the purchase price and with the interest rates, principal amounts, and maturity dates shown above, and on the further terms and conditions set forth in this Forward Delivery Contract. The Purchased Obligations are being purchased by the Underwriters pursuant to a Forward Delivery Bond Purchase Agreement dated October 8, 2019 between the Commission and the Representative, acting on its behalf and on behalf of the Underwriters (the “Forward Delivery Bond Purchase Agreement”). Capitalized terms used but not defined herein shall have the meanings ascribed thereto in the Forward Delivery Bond Purchase Agreement or the Official Statement.

The Purchaser hereby confirms that it has reviewed the Preliminary Official Statement and the Official Statement (including without limitation the section entitled “CERTAIN FORWARD DELIVERY CONSIDERATIONS FOR THE SERIES C BONDS” therein), has considered the risks associated with purchasing the Purchased Obligations and is duly authorized to purchase the Purchased Obligations. The Purchaser further acknowledges and agrees that the Purchased Obligations are being sold on a “forward” basis, and the Purchaser hereby purchases and agrees to accept delivery of such Purchased Obligations from the Underwriters on or about May 4, 2020 (the “Settlement Date”) as they may be issued and delivered in accordance with the Forward Delivery Bond Purchase Agreement.

Payment for the Purchased Obligations shall be made to the Representative or upon its order on the Settlement Date upon delivery to the Purchaser of the Purchased Obligations through the book-entry system of The Depository Trust Company. The Purchaser agrees that in no event shall the Underwriters be responsible or liable for any claim or loss, whether direct or consequential, which the Purchaser may suffer in the event the Commission does not for any reason issue and deliver the Purchased Obligations.

Upon Settlement, the obligation of the Purchaser to take delivery of the Purchased Obligations hereunder shall be unconditional. The Purchaser may terminate its obligation to purchase the Purchased Obligations in the

event that between Preliminary Closing Date and the Settlement Date, one of the following events shall have occurred and the Purchaser has notified the Underwriters in writing as provided herein:

(1) the Bonds are not rated (or any such rating is suspended which results in the Bonds having no rating) by each of Moody's, Fitch, and Kroll on the Settlement Date;

(2) there is a Change in Law (as defined below);

(3) as a result of a Change in Law or for any other reason, Bond Counsel notifies the Commission that it does not expect to be able to issue an opinion substantially in the form and to the effect set forth in EXHIBIT F-2 to the Official Statement;

(4) an event of default has occurred and is continuing under the Forward Delivery Bond Purchase Agreement; or

(5) there shall exist any event or circumstance that in the Underwriters' reasonable judgment either makes untrue or incorrect in any material respect any statement or information in the Official Statement or any Updated Official Statement or is not reflected in the Official Statement or any Updated Official Statement but should be reflected therein in order to make any statement of material fact therein not misleading in any material respect as to which the Commission refuses to address and correct with an amendment or supplement to the Official Statement or any Updated Official Statement after having been provided with notice and a reasonable opportunity to do so by the Underwriters.

A "Change in Law" means:

(i) any change in or addition to applicable federal or state law, whether statutory or as interpreted by the courts, including any changes in or new rules, regulations or other pronouncements or interpretations by federal or state agencies;

(ii) any legislation enacted by the Congress of the United States (if such enacted legislation has an effective date which is on or before the Settlement Date);

(iii) any law, rule or regulation enacted by any governmental body, department or agency (if such enacted law, rule or regulation has an effective date which is on or before the Settlement Date); or

(iv) any judgment, ruling or order issued by any court or administrative body,

which with respect to clauses (i) through (iv) hereof would (A) as to the Underwriters, legally prohibit the Underwriters from (1) accepting delivery of and paying for the Bonds in accordance with the provisions of the Forward Delivery Bond Purchase Agreement or (2) selling the Bonds or beneficial ownership interests therein to bona fide purchasers, or, (B) as to the Commission, make the sale or issuance and delivery of the Bonds by the Commission illegal, (C) eliminate the exclusion from gross income for federal income tax purposes of interest on the Bonds, or (D) require the Bonds to be registered under the Securities Act or the Resolution to be qualified under the Trust Indenture Act of 1939; provided however, that any such change in or addition to law, legislation, rule or regulation, or judgment, ruling or order referred to in clauses (i) through (iv) of this sentence shall have become effective, been enacted, introduced or recommended, or been issued, as the case may be, subsequent to the date of execution of the Forward Delivery Bond Purchase Agreement; or

(v) a stop order, ruling, regulation, or official statement by the SEC or any other governmental agency having jurisdiction of the subject matter shall have been issued or made or any other event occurs, the effect of which is that the issuance or sale of the Bonds, or would be, in violation of any provision of the federal securities laws, including the Securities Act or the Securities Exchange Act of 1934, as amended.

The Purchaser acknowledges and agrees that the Purchased Obligations are being sold on a “forward” or “forward delivery” basis for delivery on the Settlement Date and that the Purchaser is obligated to take up and pay for the Purchased Obligations on the Settlement Date unless the Underwriters terminate the Forward Delivery Bond Purchase Agreement, or the Purchaser terminates its obligation to purchase the Purchased Obligations as described herein. To effect a termination by the Purchaser, the Purchaser acknowledges and agrees that it must give written notice of termination of this Forward Delivery Contract to the Representative before the Settlement Date. The Purchaser understands and agrees that no termination of the obligation of the Purchaser may occur after the Settlement Date. The Purchaser is not a third-party beneficiary under the Forward Delivery Bond Purchase Agreement and has no rights to enforce, or cause the Underwriters to enforce, any of the terms thereof. The Purchaser acknowledges that it will not be able to withdraw its order except as described herein, and will not otherwise be excused from performance of its obligations to take up and pay for the Purchased Obligations on the Settlement Date because of market or credit changes, including specifically, but not limited to (a) changes in the ratings assigned to the Purchased Obligations or changes in the credit associated with the Purchased Obligations generally, and (b) changes in the financial condition and operations of the Commission. The Purchaser acknowledges and agrees that it will remain obligated to purchase the Purchased Obligations in accordance with the terms hereof, even if the Purchaser decides to sell such Purchased Obligations following the date hereof, unless the Purchaser sells Purchased Obligations to another institution with the prior written consent of the Representative and such institution provides a written acknowledgment of confirmation of purchase order and a forward delivery contract in the same respective forms as that executed by the Purchaser.

The Purchaser represents and warrants that, as of the date of this Forward Delivery Contract, the Purchaser is not prohibited from purchasing the Purchased Obligations hereby agreed to be purchased by it under the laws of the jurisdiction to which the Purchaser is subject.

This Forward Delivery Contract will inure to the benefit of and be binding upon the parties hereto and their respective successors, but will not be assignable by either party without the prior written consent of the other.

The Purchaser acknowledges that the Representative is entering into the Forward Delivery Bond Purchase Agreement with the Commission to purchase the Purchased Obligations in reliance in part on the performance by the Purchaser of its obligations hereunder.

This Forward Delivery Contract may be executed by either of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument under the laws of the State of New York.

It is understood that the acceptance by the Representative of any Forward Delivery Contract (including this one) is in the Representative’s sole discretion and that, without limiting the foregoing, acceptances of such contracts need not be on a “first-come, first-served” basis. If this Forward Delivery Contract is acceptable to the Representative, it is requested that the Representative sign the form of acceptance below and mail or deliver one of the counterparts hereof to the Purchaser at its address set forth below. This will become a binding contract between the Representative and the Purchaser when such counterpart is so mailed or delivered by the Representative. This Forward Delivery Contract does not constitute a customer confirmation pursuant to Rule G-15 of the Municipal Securities Rulemaking Board.

This Forward Delivery Contract shall be construed and administered under the laws of the State of New York.
